Herkimer
THE STATE UNIVERSITY OF NEW YORK

we are successful.

“My time at Herkimer College inspired me to really pursue my dreams in the fashion industry and to go after what I really wanted. My fashion professor at Herkimer was an amazing, inspiring, creative industry professional who taught me so much, and was so knowledgeable about the industry.”

Daisha Bates '17, Fashion Buying and Merchandising A.A.S.

Herkimer College offers exceptional academics with more than 40 associate degree and certificate programs. Our faculty are dedicated to student success bringing field expertise and a real-world perspective to the classroom.

“If you need help, the teachers will be there for you—and so will the students.”

Charles Schermerhorn '20, Liberal Arts and Science: Social Science

*Program also available 100% online.

** Program can be completed online only.

Check out our complete listing of transfer agreements:
www.herkimer.edu/transfer

As part of The State University of New York system, graduates who earn an associate in arts or associate in science degree are **guaranteed admission to a four-year SUNY** college or university.

We are smart.

Starting at Herkimer College is
the smart way to begin your college career.

Herkimer's associate degree programs are designed to parallel freshman and sophomore classes at four-year colleges and universities. Class sizes are typically smaller than those at four-year institutions, and **personal attention** from faculty helps build a foundation for success.

Herkimer College provides an excellent opportunity to explore a variety of options before committing to a bachelor's level program. Tuition is less expensive than SUNY four-year institutions and a **fraction of the cost** of most private colleges and universities.

Herkimer College has **over 160 transfer agreements** with four-year colleges and universities to provide a seamless transfer of credits.

we are supportive.

Our **faculty, advisors and counselors** will help you maximize your potential.

ACADEMIC SUPPORT

We offer a variety of services, free of charge, to help you reach your academic potential. Academic Support Center services include:

- tutoring
- academic coaching
- academic success workshops
- collaborative learning spaces
- computer labs
- learning styles and strengths assessments
- skill improvement
- study rooms
- services for students with disabilities
- referrals to services on campus and in the community

“Especially for the undecided student, Herkimer is the best place to help you figure everything out!”

Cassandra Dolan '20, Music Industry

CAREER SERVICES

Career exploration services and counseling are available for students and alumni free of charge and include:

- career assessments
- résumé writing assistance
- employment coaching
- Hire Me *Handshake*
- internships
- part-time job fair
- annual career fair
- online job posting board

ACADEMIC ADVISEMENT

Our Academic Advisement Center will help you achieve your educational goals. Academic advisors provide counsel related to career and/or transfer goals, help ensure graduation requirements are met, assist students with scheduling and course adjustments, and explain academic standards and regulations.

 PCIT

Herkimer's annual career fair brings together local and regional businesses to recruit students and alumni for full-time, part-time, internship and seasonal opportunities.

Take a virtual tour and check out the campus!

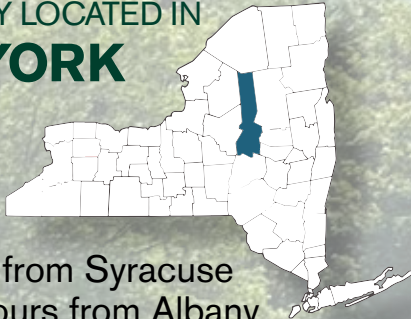

www.herkimer.edu/virtualtour

Herkimer is within a four-hour drive of New York City, Niagara Falls, Buffalo, Toronto, Boston, and Montreal. The campus lies in the foothills of the Adirondacks – one of the nation's largest and most beautiful parks. From skiing to camping and hiking, the area provides plenty of year-round recreation. With a variety of sports teams, restaurants, shopping, and concert and arts venues in the region, there is always something to do.

**Herkimer College students
enjoy one of the most scenic
views in the region.**

we are innovative.

At Herkimer College, we **embrace innovation and empower our students to thrive** in an ever-evolving world. We're proud of our cutting-edge programs and facilities.

Level up with our new A.A.S ESPORTS MANAGEMENT program.

Equip yourself for a career in the growing Esports industry, while securing a foundation of business and general education. Graduates will be prepared for careers in event management, broadcasting, facility operations, game day logistics, public relations, marketing, and sales. This degree is a gateway to the workforce, while also offering opportunities to transition into further education at four-year institutions. Herkimer is the only college in New York to offer an associate degree in Esports Management.

Step into the future in our CUTTING-EDGE SCIENCE CENTER.

This modern facility boasts an expansive design and five meticulously-designed laboratories for biology, microbiology, chemistry, physics, and anatomy and physiology. Complemented by a preparation room and a thriving greenhouse, the Gaynor Science Center stands as a testament to our commitment to excellence. The state-of-the-art labs create an immersive environment where teaching and learning converge.

Prepare for a lucrative career in UTILITIES & RENEWABLE ENERGY.

With our degree in Electrical Technology, students are prepared for careers in the design, application, installation,

THINK. ENGAGE. CREATE.

Communication and Media students experience the real world of media production in our Adobe graphics, photo, and Avid media computer labs. The College's radio station and podcast studio, as well as the online news site, provide hands-on opportunities for students to create and share media including video, audio, graphics and journalistic content.

PERFORMANCE TRAINING

Herkimer is home to the Law Enforcement Training Center, housing a new police training simulator. This virtual training environment offers hundreds of fully interactive scenarios for training and testing law enforcement students and officers. Herkimer's Police Academy is a pre-employment police basic training program offered in partnership with the Little Falls Police Department.

manufacturing, operation and/or maintenance of electrical/electronic(s) systems, with a focus on smart grid technologies. The program was created in partnership with Buffalo State University and the New York Power Authority. Students will experience hands-on learning in a multi-million dollar, state-of-the-art electrical technology smart grid laboratory.

Herkimer College is a LEADING PROVIDER of outstanding online degree programs. Online students enjoy the benefits of:

Convenience. Many students have very busy lives with full-time jobs and family responsibilities. Studying online lets you complete your education around your schedule.

Program variety. More than 150 courses, 21 associate degree programs, four certificates, and one microcredential are offered online.

Support services. Online students have access to the same support services that on-campus students are offered: advisement, tutoring, accessibility services, library services and technical support.

“My coach [Pepe Aragon] always stressed that being an elite athlete involves succeeding both in soccer and in the classroom. He was right. My experience at Herkimer helped me move on to a Division I program, which resulted in an eventual first round draft pick by the Portland Timbers in the 2016 Major League Soccer Super Draft.”

IMMERSE YOURSELF IN THE COLLEGE EXPERIENCE

Our vibrant student community enjoys a full schedule of events and activities. Opportunities for involvement include student government, clubs, volunteer and civic activities, sports competitions, on-campus work study program, and more. At Herkimer, participation isn't just encouraged – it's celebrated.

Students who choose to live in one of our three on-campus housing complexes are within easy access to essential student services. With dedicated live-in residence life professionals providing support and engaging programs, along with a 24/7 campus safety presence, both parents and students can have peace of mind.

At Herkimer, you will have all the ingredients to cultivate your passions, develop leadership skills, bolster your résumé, and make lifelong friendships.

Quality academics, championship athletics,
on-campus housing and **a vibrant campus life!**

STUDENT CLUBS &
ORGANIZATIONS

we are a great value!

Quality education, low price tag!

Herkimer College offers a premier college experience at a fraction of the cost of four-year private and public colleges.

Annual Costs for 2023-2024

Full-Time Tuition & Fees

- \$5,116 for in-state and out-of-state students
- \$690 mandatory fees for in-state students
- \$990 mandatory fees for out-of-state students

Part-Time Tuition & Fees

- \$189 per credit hour
- \$55 per semester plus \$25 per credit hour mandatory fees

Meal Plans

Costs range from \$4,524 to \$5,278 per year depending on the meal plan selected. Smaller plans are available for commuter students.

On-Campus Housing

Rates range from \$7,000 to \$8,000 per year depending on the building and room type. All options are designed as fully-furnished apartments, and utilities are included.

BookMarket

We have a unique partnership with Barnes & Noble, where you'll pay \$24 per credit for all required textbooks and other course materials, and you'll have your materials before classes start. It's our way of keeping course materials affordable.

FINANCIAL AID & SCHOLARSHIPS

Approximately 90% of our first-time, full-time students receive some form of financial aid. This includes grants, loans, scholarships and campus work-study employment.

To apply for financial aid, file the Free Application for Federal Student Aid (FAFSA) at fafsa.gov.
Financial Aid School Codes: FAFSA 004788, TAP 2254
