Herkimer, NY— Two Herkimer County Community College student athletes were named to the College's Green and Gold Club for the month of September.

Men's soccer player Joe Hunt was the male selection for September. With 20 goals and 13 assists, he has 53 points on the year making him the first ranked scorer in the nation. He was also recently named National Junior College Athletic Association (NJCAA) Division III Male Athlete of the Week.

Coach Pepe Aragon said, "Joe is a great goal scorer and an excellent student making him an ideal role-model for student-athletes."

A senior from London, England, Hunt is a 2005 graduate of Goffs High School and is majoring in Physical Education at Herkimer. The Generals are currently ranked first in the nation according to the latest NJCAA Division III national poll.

Women's soccer player Eileen Coyle was the female selection for September. With 29 goals and nine assists so far this season, she is currently the top scorer in the nation.

Coach Amy Brelinisky said, "Eileen continues to be a dominating force on the field. Her speed and finishing abilities make it very difficult for her opponents to guard her."

Coyle also received this honor last year as a freshman and was selected 2005 Mountain Valley Conference Player of the Year and Region III Player of the Year. Coyle is a 2005 graduate of Oneonta High School and a General Studies major at Herkimer.

HCCC's Green and Gold Club honors an outstanding male and female athlete each month. For more information, contact Donald Dutcher, Director of Athletics, at 315-866-0300, ext. 8255.
