The Library has more than 60,000 books, which can be accessed through an online catalog, and approximately 200 periodical subscriptions. A variety of online Reference and periodical databases are available as well as Internet access to resources on the world wide web.

Library Hours

Sunday: 4:00pm-9:00pm
Monday–Thursday: 8:00am-9:00pm
Friday: 8:00am-4:00pm

Why we have Libraries

One way the Library supports the HCCC strategic plan is by providing resources and an environment that encourages and fosters learning. The latest technology is provided and utilized by students on a daily basis.

Learning and Education: support and contribute to the college curriculum.
Access to materials: both in print (books) and digital (online).
Literacy: assist and teach patrons how to perform research and use the information they find to the best of their ability. Promote self empowerment by providing students the tools they need to find information on their own.
Intellectual Freedom: ability to do research and find information, ability to speak as defined in the First Amendment.

In determining whether the use made of a work in any particular case is a fair use the factors to be considered shall include—
(1) the purpose and character of the use, including whether such use is of a commercial nature or is for nonprofit educational purposes;
(2) the nature of the copyrighted work;
(3) the amount and substantiality of the portion used in relation to the copyrighted work as a whole; and

Policies

Acquisitions:
Faculty members are encouraged to recommend titles in their respective disciplines, through their subject liaison Librarians. To find book titles, search through Book Index, Books in Print or WorldCAT databases, accessible on the Library’s home page (www.herkimer.edu/hcccLibrary/). Audio-visual purchases are completed through your Division, with permission from the Associate Dean. When the material has arrived, we recommend that you review it before presenting it to your class. A room in the Library is available to view films that you assign to students. It is on a first come, first served basis.

Assignments:
Please contact the Director/Librarian for Information Literacy (x8345) to discuss Library material and instruction when assigning papers and projects that require Library research. Librarians are most effective in assisting students with particular research needs when an assignment is available in advance.

Library Instruction:
Librarians are available to provide class instruction in the use of specific Reference tools, as well as general Library use. Arrangements should be made at least two weeks ahead of time by submitting the Specialized Subject Instruction Form available on the Library’s home page under FORMS, and a sample is located at the end of this handbook. http://www.herkimer.edu/library/specialized_subject_instruction/
