Gen. note Includes index.

Bibliogr. Includes bibliographical references (p. 449-530) and index.

### Contents

What is **ecotourism**? : In search of the golden toad -- The world travel industry : going "green"? -- **Ecotourism** today -- Nation studies: The Galapagos Islands : test site for theories of evolution and **ecotourism** -- Costa Rica : on the beaten path -- Tanzania : whose Eden is it? -- Zanzibar : **ecotourism** on a Muslim island -- Kenya : the ups and downs of Africa's **ecotourism** "mzee" -- South Africa : people and parks under majority rule -- **Ecotourism** in the United States -- Conclusion : the road less traveled.

### Abstract

Around the world, **ecotourism** has been hailed as a panacea: a way to fund conservation and scientific research, protect fragile ecosystems, benefit communities, promote development in poor countries, instill environmental awareness and a social conscience in the travel industry, satisfy and educate discriminating tourists, and, some claim, foster world peace.
