CORRESPONDENCE
Dr. Murray reported that she received a letter from Cynthia Demarest, Executive Director of NYCCT, thanking us for hosting her at the April Board of Trustees board meeting. Around September 11, 2009, there will be a NYCCT academic training session in Albany for the Board of Trustees. More information regarding this is forthcoming.
PRESIDENT’S REPORT
The members of the Board were asked to review the outcomes of the June 2008 Board survey. Dr. Murray presented a progress report on each outcome and trustees were asked to indicate if the item was completed or needed further attention. They were also asked to add any new recommendations for the upcoming year. Each year the Board will receive an update on their recommendations and the opportunity to amend or eliminate existing recommendations and add new recommendations. The self-assessment/recommendations will be collected at the July 9th Board of Trustees workshop.

The results of the Board of Trustees March 2009 survey indicated that changes instituted during 2008-2009, such as location of dinner, those seated at the table and day/date/time of the meeting, were somewhat positive. The Board agreed to continue with the changes.

The Board of Trustees workshop will be held on July 9, 2009, at 5 p.m. in the Library Reading Room. Joe Mello, an organizational trainer, was invited to walk the board through a SWOT analysis. Additional discussion will take place on areas to devote resources to over the next five to ten years and their vision of the college for the next five to ten years. Workshop results will be shared during the August meeting.

On the morning of August 11, 2009, Chancellor Nancy Zimpher will be visiting the college.

The Board of Trustees and Executive Council and their spouses are invited to a barbecue at Dr. Murray’s house on August 12, 2009.

This resolution recommends: full time in-state tuition be increased by $110 from $3,130 to $3,240 per year; full time Technology Fee be increased by $40 from $50 to $90; part time Technology Fee be increased by $10 from $20 to $30; a new Change of Program fee in the amount of $25 for students who change major; a new Health Services Fee in the amount of $10 per semester for full time students and $5 per semester for part time students who use the services of the Health Services department; a new International Student Fee in the amount of $500 per semester; and a new Laboratory Fee in the amount of $20 per eligible course.

Mr. Russell introduced Resolution 08-22 (2009-2010 Proposed Operating Budget). This resolution shows the budget reflecting an estimated enrollment increase to 2,838.1 FTEs up from the 2008-09 budget of 2,722.5 FTEs; budgeted expenditures will total $22,699,310. This represents an increase of 6.6% over the 2008-09 budget of $21,295,536; estimated revenues include a $110 increase in the full-time tuition rate to $3,240; and an increase of $194,382 in sponsor contribution is requested from Herkimer County. Mr. Laino explained that the college tried to be as conservative as possible. The base rate for
state aid will remain the same. Dr. Murray reported that our fund balance is at 3%, which is below the recommended range of 5% to 15%, and she noted that the equipment for campus operations and instruction and laboratories equipment is funded at an insufficient level of $56,000. Ms. Woudenberg explained the difference between the operating component and the capital component of the chargeback revenue. The budget has a 6.6% increase or $1.4 million, of which 50% is due to health care costs. Employee benefits are increasing due to the increase of health care costs. Computer software and infrastructure is increasing to offset a decrease in staff.

Mr. Russell made a motion to approve Resolution 08-22 as presented.
Mr. Armstrong seconded the motion.
Vote-7 in favor, 1 opposed. Motion carried.

Mr. Russell introduced Resolution 08-23 (FY 2009-2010 Community Education Service, Facilities Utilization, Child Care and Non-Credit Programming Fees). There were no changes to these fees. Mr. Barbato questioned why this resolution contained no changes as the other resolutions did. Mr. Laino explained that these fees are reviewed each year and felt that this was the market rate. Dr. Murray explained we are trying to keep fees consistent with other county agencies.

Mr. Russell made a motion to approve Resolution 0-23 as presented.
