Trisha Lucas from D’Arcangelo & Co., LLP, presented the FY 2011-2012 Audit Report to the board. The report was reviewed with the Finance, Audit and Facilities Committee of the Board of Trustees prior to the regular board meeting. The financial statements of the Herkimer County College Foundation, Inc. and the Herkimer County Community College Housing Corporation were not audited by D’Arcangelo & Co. Those financial statements were audited by another firm.

- The auditor’s report expresses an unqualified opinion, which is the highest opinion that can be received, on the financial statements of HCCC.
- No significant deficiencies were noted relating to the audit of the financial statements as reported in the Report on Compliance and on Internal Control Over Financial Reporting Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards.
- The programs tested as major programs included the Student Financial Assistance Programs Cluster
- HCCC qualified as a low-risk auditee.

PRESIDENT’S REPORT
Dr. Murray reported that there have been a number of events on campus that were well attended, including the jazz concert and the Robert H. Wood Great Artists Series concert, featuring the Bohemian Quartet. Several students and their guests were invited by Dr. Murray to the Bohemian Quartet concert. The concert series has seen increased attendance over the years, with over 200 people attending this year. On April 20th, a High School Film Festival, which was created by the RTV faculty under the direction of Bob Gassmann, was held. Twenty-seven students had submissions, and the work was exceptional. Dr. Murray complimented Mr. Gassmann and the RTV department for their work. That evening, the President’s Gala was held. Revenue from the gala was up 8% from last year. Dr. Murray thanked the Foundation staff—Jan Fuhrer, Teresa Shepard, and Julie Lewis—for their efforts in making the gala a success. She also recognized those volunteering their time, including Bill McDonald, Sharon Gregory and Shannon Farrell, and the Gala Committee members—Deb Dempsey-Scialdo, Becky Smith, Donna Goodbread and Jan Fuhrer.

Dr. Murray also reported that the College is finalizing plans to move and rearrange offices to create a One Stop Center. There is concern about the storage of filing cabinets, creating a need to move toward becoming paperless over the next year. Dr. Murray complimented the staff impacted by this move for their cooperation, and Michael Oriolo and Hank Testa for leading the committee. This change should make the registration process for new and continuing students more efficient.

A board member is needed for assisting with the College’s 50th anniversary celebration. Ms. Clark and Ms. Crandall volunteered their services.

The President’s quarterly activity report was presented to the board.
