PRESIDENT’S REPORT
Next month’s Board of Trustees annual meeting on April 22nd will be a reorganizational meeting. Chairwoman Crandall asked the board to start thinking about the election of officers. Any changes to the bylaws are to be submitted to the Secretary to the President at least five days, nor more than ten days, before the date of the annual meeting.

Thad Luke spoke about tele-conferencing at board meetings. Education Law states that colleges must abide by the Open Meetings Law that requires board meeting notices state the use of electronic means and the location(s) electronic means are being used, thereby offering the opportunity for the public to attend at any of the sites. Because of this law, the bylaws cannot be revised to allow tele-conferencing without placing the information relating to same in a meeting notice. That law applies to NYS not-for-profit corporations.

Mr. Laino asked that the Board of Trustees complete their self-assessment and return to Ms. Hunt by April 8th so that the results may be shared with the Board.

ADJOURNMENT
Mr. Ackerman moved to adjourn the meeting.
Mr. Testa seconded the motion.
