CAMPUS REPORTS

Academics:
Mr. Laino presented Resolution 13-30: Anti-Bullying Policy. Mr. Salamy gave a background on this policy, which has the support of the Academic Senate. Herkimer County Community College is committed to maintaining high standards for behavior where every member of the College community conducts himself/herself in a manner which demonstrates proper regard for the rights and welfare of others. The Anti-Bullying Policy seeks to educate the College community about bullying and to promote civility and respect among all its members, including the College’s trustees, administration, faculty, staff, students, contractors, consultants and vendors.

A discussion followed. It was agreed that this policy is a working document that should be reviewed in six to twelve months for any needed changes.

Mrs. Clark seconded the motion

Mr. Oriolo presented Resolution 10-09A: Revision to 2011 Change in Academic Standards and Regulations. Since many students experience academic difficulty during their first semester at college, it is the recommendation of the College’s Executive Council that the policy established by the approval of Resolution 10-09 be revised. By doing so, this will allow these students a second chance to succeed academically by taking advantage of the academic support services the College provides. The recommended policy revision would discontinue academic dismissal of first-time, full-time students based on their first semester GPA or first semester number of credits earned, and instead would impose academic probation for first-time, full-time students who earn a GPA of 1.49 or lower, or who earned six (6) or fewer credits, as set forth in proposed tables taken from the Academic Standards and Regulations that would be included in the college catalog if approved.

After a lengthy discussion, Mr. Roche made a motion to approve Resolution 10-09A.
Mrs. Clark seconded the motion.
Vote-5 in favor, 1 opposed. Motion disapproved.

Mr. Oriolo presented Resolution 13-36: Proposal to Deactivate Program (Criminal Justice/Economic Crime AS). As the academic program, Criminal Justice: Economic Crime (AS), has shown serious decline in enrollment over the past several years, it is recommended the program be deactivated and no new students be accepted. Students currently enrolled will be offered the opportunity to complete their program. The deactivation status allows the institution to maintain the program officially on the registration for possible offering in the future.

Mr. Barbato made a motion to approve Resolution 13-36 as presented.
Mr. Brenchley seconded the motion.
