Forty-Seventh Annual Commencement

May 15, 2015
Herkimer County Community College
Herkimer, NY
Welcome

The Herkimer County Community College
Board of Trustees, Faculty and Staff
invite all graduates, families and friends to a
reception in the Robert McLaughlin College Center
immediately following the ceremony.

The Presidential Medallion

The medallion worn by the President at
commencement and official occasions is an
emblem of office and symbol of the authority
vested in him/her as the President.

The face of the medallion bears Herkimer
County Community College’s corporate
seal. In 1967, Herkimer College’s first
President, Robert McLaughlin, sponsored
a contest among Herkimer County high
school students to create a college seal.
The winning design concept, submitted by
Marie Johnson of Frankfort, was completed
and executed by Bronson Quackenbush.

His finished design was put on a brass
plate by Casimer Rakowski of SUNY
Farmingdale, hung from a green and white
ribbon, and worn for the first few years until
the current medallion was made.

Today’s medallion bears the seal with
the words “Herkimer County Community
College” in green lettering on a gold
background in a circular design. The center
of the seal reads “State University of New
York” around the edges of a triangular
shape. Inside the triangle is a drawing
of General Herkimer, representing the
College’s location. The upper right hand
corner bears an open book with a quill,
representing learning and knowledge, in
front of a world globe. The date on the
seal, 1966, is the year Herkimer County
Community College was founded. The
medallion hangs from a chain of office, with
the names of all those who have served
as Herkimer County Community College’s
president engraved on the links. It serves as
a tribute to them.

Academic Costume

Gowns recommended for use in the
colleges and universities of this country
have the following characteristics. The
gown for the bachelor’s degree has pointed
sleeves. It is designed to be worn closed.
The gown for the master’s degree has an
oblong sleeve, open at the wrist, like the
others. The sleeve base hangs down in
the traditional manner. The rear part of its
oblong shape is square cut and the front
part has an arc cut away. The gown is so
designed and supplied with fasteners that
it may be worn open or closed. The gown
for the doctor’s degree has bell-shaped
sleeves. It is so designed and supplied
with fasteners that it may be worn open or
closed. As a means of adaptation to climate,
the material of the gowns may vary from very
light to very heavy provided that the material,
color, and pattern follow the prescribed
rules.

Gowns for the bachelor’s or master’s
degrees are untrimmed. For the doctor’s
degree, the gown is faced down the front
with black velvet; three bars of velvet are
used across the sleeves. These facings
and crossbars may be of velvet of the color
distinctive of the disciplines to which the
degree pertains, thus agreeing in color
with the binding or edging of the hood
appropriate to the particular doctor’s degree
in every instance.

The length of the hood worn for the
bachelor’s degree must be three feet, for
the master’s degree three and one-half feet,
and for the doctor’s degree, four feet. The
hood worn for the doctor’s degree only shall
have panels at the sides. The hoods are
to be lined with the official color or colors
of the college or university conferring the
degree; more than one color is shown by
division of the field color in a variety of ways,
chevron or chevrons, equal division, etc.

Mortarboards are generally recommended.

A long tassel is to be fastened to the middle
point of the top of the cap only and to lie as
it will thereon. The tassel should be black or
the color appropriate to the subject, with the
exception of the doctor’s cap that may have a
tassel of gold.

Only members of the governing body of a
college or university, whatever their degrees,
are entitled to wear doctor’s gowns (with
black velvet), but their hoods may be only
those of degrees actually held by the
wearers or those especially prescribed for
them by the institution.

Members of religious orders may suitably
wear their customary habits. The same
principle applies to persons wearing military
uniforms or clad in special attire required by
a civil office.
