COMMUNITY EDUCATION
Partnering with our Community in Lifelong Learning
Reminder!
Health & Wellness Drop-in Policy

We are happy to announce that our office will now be accepting drop-in registrations for individual Health & Wellness classes. Please call our office for details.

Don’t forget to check out our website and like us on Facebook!

Important Information
The Office of Community Education classes are self-supporting, therefore we count on registration fees to pay our instructors, supplies, and equipment. If necessary, we will issue a full refund up to the advertised pre-registration deadline. After that point, we are unable to offer any refunds. Requests can be made directly to the Office of Community Education by contacting: (315) 866-0300, ext. 8251.

Please note that we will charge $25 for any returned check.

Herkimer College reserves the right to change any information within this catalog without notice.

Herkimer College does not advocate any particular point of view presented in the courses offered in this brochure.

Herkimer College requests that before you participate in any activity requiring physical exertion, that you consult with a physician.

Youth Programs

Calling All Fashionistas!
Students will learn about personal style, natural beauty and primary and secondary colors in fashion. At the end of the week, the class will stroll the runway showing off their completed work. The projects will include techniques such as tie-dye, bedazzling, headbands, homemade purses and much more! Ages: 6-11
Monday - Thursday
1pm to 4pm
July 21, 22, 23, 24
Fee: $85

Weather Watchers
Are you interested in learning more about the weather in Central New York? If so, this camp is for you! Learn about different kinds of weather from lake effect snow to thunderstorms, hurricanes, and tornadoes. WKTV Meteorologist Bill Kardas will show you how to track the weather at home and around the world. Ages: 9-13
Monday - Thursday
1:30pm to 4pm
July 28, 29, 30, 31
Fee: $69  *Scholarships available

Crazy Computer Basics
We will be exploring and learning how to use all the hidden, awesome elements of Microsoft Word. You will be creating PowerPoint presentations with videos, clip art, and animations. You will also learn to create your own movie using Movie Maker. Ages: 8-11
Monday - Thursday
9am to 12pm
Aug. 11, 12, 13, 14
Fee: $72

Adventure Camp
Students will enjoy a wide variety of age appropriate activities including teamwork, problem solving and leadership in the outdoor environment. Campers will enhance their social development, self-esteem, build friendly relationships, learn cooperation skills, experience the thrill of discovery, and have fun! Ages: 6-12
A—Monday - Thursday
9am to 12pm
June 30; July 1, 2, 3
Fee: $72
B—Monday - Thursday
Aug. 4, 5, 6, 7
9am to 12pm
Fee: $72

Robotics Mini-Camp (AFRL)
This camp is provided in partnership with the Air Force Research Laboratory, Rome, NY. Students will be introduced to programming mobile robots, various types of sensors, applying measurement & geometry to calculate robot navigation, experimental process, and experiment documentation using LEGO Mindstorm Robotic kits. Ages: 10-13
This course is partially underwritten by AFRL.
Monday - Thursday
8am to 12pm
July 7, 8, 9, 10
Fee: $29

Advanced Robotics Mini-Camp
Have ever experienced a Robotics camp before? If so, then this is for you! Students will learn advanced programming using a curriculum that is designed to encourage the use of math and science when programming their LEGO MINDSTORM robots kit. Ages: 10-13
Monday - Thursday
8am to 12pm
Aug. 11, 12, 13, 14
Fee: $89

Find us on Facebook
www.facebook.com/herkimer.ce
Co2 Powered Dragsters
Students will design and build a model dragster solely from balsa wood and prefabricated parts. The students will be responsible for keeping these models safe by adhering to a strict set of guidelines that will be provided. Once the models are designed, built, painted and assembled, they will be raced down a 100 foot test track at speeds approaching 75 mph. Ages: 10-13
Monday - Thursday
8am to 12pm
July 14, 15, 16, 17
Fee: $89

Cyber Intelligence
The Internet is no playground. One man's trash is another man’s treasure. What you post online now, can become a hacker’s delight and your worst nightmare. You will better understand the role of social media and social engineering in keeping you protected as well as our national security. You will also learn the ethical use of “sock puppets”. You will employ open source intelligence methods to gain information. Ages: 14-18
Monday - Thursday
9am to 12pm
July 14, 15, 16, 17
Fee: $69

Kids Create: Sculpture
During this class students will have the freedom to explore several materials and techniques that many schools have eliminated from Art Class! Have fun creating with materials like plaster, clay, and wire! Ages: 8-12
Wednesdays
5pm to 7pm
July 9, 16, 23, 30; Aug 6
Fee: $59

Art Camp
Let your imagination run wild during this summer art class! Kids will create wonderful artwork through the use of oil pastels, watercolors, plaster, clay & wire! Both outside and indoor art projects will take place during this camp, along with a mini art show at the end of the week! Ages: 6-11
Monday - Thursday
9am to 12pm
July 21, 22, 23, 24
Fee: $89

Herkimer College Investigators
Come join the Herkimer College Investigative Team, as we learn about crime scene investigation through actual CSI equipment, multimedia presentations and hands-on activities. The team will learn fingerprinting, cast impressions of footwear/tire tracks, GPS systems, metal detection systems, and more. If time and weather permit, there will be a mock crime scene and excavation to recover simulated skeletal remains and other forms of evidence. Ages: 13-16
Monday - Thursday
8:30am to 12:30pm
July 7, 8, 9, 10
Fee: $89

Make a difference while Exploring!
Students will partake in actives such as making bird houses and nature trail exploration while learning about teamwork and how to pay it forward! Ages: 8-16
Monday - Thursday
9am to 12pm
July 21, 22, 23, 24
Fee: $69

Contact us by phone or e-mail, to let us know your suggestions!

5pm to 7pm

July 9, 16, 23, 30

Fee: $49

**Just Once Piano Workshop**

In just a few hours, you can learn enough secrets of the trade to give you years of musical enjoyment. While regular piano teachers teach note reading, piano professionals use chords. And you can learn all the chords you'll need to play any song in this one session. Any song. Any style. Any key. If you can find middle C and know the meaning of Every Good Boy Does Fine, you already know enough to enroll in this workshop. Total beginners can download a free pamphlet on reading the treble clef on our website justonceclasses.com. Fee includes a workbook and practice CD.

**Monday**

6:30pm to 9pm

June 9

Fee: $59

**Hypnosis for Weight loss**

Learn the principles of being able to respond to your appetite properly and to put an end to overeating forever. This is done by applying simple behavior-changing techniques that anyone can learn and everyone can enjoy. You'll learn how to lose weight in a unique, fun way! Learn techniques to create healthier, permanent eating habits. Experience a light trance state and the power of focused concentration & relaxation to fast-track these changes in your lifestyle, and reinforce the new healthier you!

A—Monday: 6pm to 8pm

June 23

Fee: $19

B—Thursday: 6pm to 8pm

Aug. 21

Fee: $19

**Just Once Guitar Workshop**

This crash course will teach you some basic chords and get you playing along with your favorite songs right away. Bring your acoustic guitar. Class limited to 15 students. For ages 13 and up. For more information go to our website: justonceclasses.com Fee includes a workbook and practice DVD.

**Monday**

6:30pm to 9pm

June 23

Fee: $59

**Hypnosis for Smoking**

Become a permanent non-smoker quicker and easier than you ever thought possible. You will do so with less withdrawal and cravings than you ever imagined. In addition to all of this, you will have less negativity and stress, and more self-esteem and self-confidence. No relying on willpower, which usually fails, no feelings of self-denial and frustration. Instead, you will feel a sense of accomplishment and self-respect.

A—Wednesday: 6pm to 8pm

June 18

Fee: $19

B—Tuesday: 6pm to 8pm

Aug. 19

Fee: $19

10-Hour OSHA Training
This course is intended to provide a variety of awareness training on construction safety and health topics. The course is presented to employees and therefore places an emphasis on identifying common hazards in the construction industry as well as avoidance, control and prevention. Upon successful completion of this course, participants will receive an OSHA Construction Safety and Health 10-Hour card. Please bring $5 to class for your card.
**Monday, Tuesday, Wednesday**
July 7, 8, 9
5pm to 8:30pm
Fee: $79

An Introduction to Voiceovers
*(Getting Started in Voice Acting)*
*One-on-One Online Class*
For more information please visit
http://www.voicesforall.com/ooo
Fee: $49
### Technology

**Creating Mobile Apps with HTML5**
In this course, you'll learn how to imagine, design, build, and optimize a cross-platform mobile app using the very latest HTML5 standards.

**Wireless Networking**
You'll learn how wireless works, how wireless devices connect to networks, and how to build and connect to your own wireless network.

### Computer Fundamentals

**Introduction to PC Troubleshooting**
Takes you step by step through the typical hardware and operating system problems encountered by technicians, teaching troubleshooting techniques to decipher any problem, and giving you the skills you need to solve them.

### Medical/Healthcare

**Medical Terminology: A Word Association Approach**
Prepare for a career in the health services industry by learning medical terminology in a memorable and enjoyable fashion.

**Intro to Natural Health and Healing**
We'll discuss the various stages of health and illness, and you'll discover that true health means wholeness of the mind, body, and spirit.

### Business & Career

**Performing Payroll in QuickBooks**
Master efficient techniques for creating paychecks, paying liabilities for taxes, and generating dazzling reports quickly and easily.

**A to Z Grant Writing**
Learn how to research and develop relationships with potential funding sources, organize grant writing campaigns and prepare proposals.

**Market Your Business on the Internet**
Find out how to market your business on the Internet, even if you have little or no money to spend! In this practical, hands-on course, you'll discover proven methods that will help you establish an Internet presence and build an online brand identity.

**Fundamentals of Supervision and Management**
Learn the people skills required to motivate and delegate, and learn tools for solving problems and resolving conflicts.

### Web Programming

**Introduction to SQL**
Gain a solid working knowledge of the most powerful and widely used database programming language.

**Introduction to Java Programming**
An experienced Java programmer introduces important Java topics with clear step-by-step instructions.
The Soccer Day Camps will focus on the fundamentals of soccer as well as individual needs and teamwork. Campers will work closely with Coach Aragon and his staff of former players and coaches. The purpose of the camp is to teach technical and tactical soccer strategies while having fun. Campers will have the opportunity to learn foot skills as well as play in small and large-sided games on the College’s artificial turf field. Come join us for a great week of soccer, fun and friendships.

(315) 717-5441

Softball All-Skills Camp

Dates: July 21 - 24
Time: 9am-3pm
Ages: 8-18
Swimming: Yes
Location: Softball field
Cost: $100 per camper
Contact: Peter Anadio
(518) 848-6693
Peter.Anadio@herkimer.edu

Description: This camp will emphasize unique, innovative, and fun drills to build skills in every aspect of the game: hitting, base running, defense, pitching, catching, softball specific speed agility and strength training, mental game, team building etc. We will also incorporate video analysis so each player can see their skills in progress. At the end of camp games will be played to have fun and display what each player has learned.

There is no lunch provided or available on campus for participants. For all-day summer camps, we ask that all participants bring their lunch.
Boys and Girls All Sports Camp
Dates: July 14 - 18
Time: 8:30am – 12:30pm
Ages: 5-12
Swimming: Yes
Location: Main Gym and Outdoors
Cost: $80 per camper
      $ 150 for 2
      $ 230 for 3
      $ 300 for 4

This summer camp is designed for children with a true interest in a variety of sports and recreational activities. This multi-sport camp helps plant the seed for a healthy future and a lifetime of sports participation. Our daily camp schedule varies, but activities can include basketball, soccer, tennis, volleyball, flag football, baseball/softball, swimming, badminton, kickball, dodge ball, ultimate Frisbee, and more!

Boys Baseball Camp
Dates: June 30 - July 3
Time: 9am – 3pm
Ages: 6-13
Swimming: Yes
Location: Baseball Field
Cost: $99 per camper
      $150 for 2

Boy’s Baseball Camp will focus on the fundamentals of baseball as well as individual needs and teamwork. Campers will work closely with Coach Rathbun and his staff of former players and coaches. The camp will teach young baseball players the proper way to play baseball. It will focus on teaching the fundamentals of hitting, bunting, fielding and throwing along with base running techniques which will help improve all aspects of play. The morning portion of camp is dedicated to teaching the proper techniques through drills and demonstration. The afternoon portion of the camp is dedicated to putting these learned techniques to use in a simulated game. The day will end with a recess session in the indoor pool, where the campers are to be picked up.

Herkimer College Athletics Camp Permission Form

I give my permission for _____________________________________to take part in the Athletic Summer Camp Program at Herkimer College. This child, to the best of my knowledge, is in good physical condition and is capable of performing the necessary activities that an athletic summer camp may entail. I understand that this athletic camp and other activities associated with an athletic camp have an inherent risk factor, and that all appropriate precautions will be taken for the safety of my child. I give my permission to the Herkimer College staff and volunteers and/or hospital staff to administer proper medical assistance to the above named participant. I agree not to hold Herkimer College or any of their agents responsible in the event of injury to my child.

Parent or Guardian (Please Print)
