

CRIMINAL JUSTICE: ECONOMIC CRIME

HEGIS: 5505
SUNY CODE: 1454

Economic Crime investigators are responsible for uncovering breaches of security resulting from high-tech crimes. Job responsibilities include investigating insurance fraud, credit card fraud, computer security, internal and corporate security, financial investigations and Internet commerce fraud. Students in this program study basic Criminal Justice topics such as criminal law, private security and criminology and will benefit from a program focus on technology that features several computer courses.

Transfer Information

Graduates of this program are well prepared for transfer into baccalaureate degree programs in Economic Crime. Articulation agreements with Utica College and Hilbert College provide opportunities for seamless transfer.
