

LIBERAL ARTS AND SCIENCES: GENERAL STUDIES

HEGIS: 5649
SUNY CODE: 0250

The General Studies program is designed to expose students to broad areas of human knowledge—the humanities and fine arts, the natural sciences and mathematics, and the social sciences. Students work closely with an advisor to tailor a specific program according to their needs and interests. This advising is of particular value to students who may be uncertain of the major they wish to pursue when they enter the College. General Studies students are well prepared to pursue a baccalaureate degree or to take advantage of specialized training offered by future employers.

Transfer Information

Graduates of this program have transferred to a variety of four-year institutions including SUC at Cortland, SUC at Oneonta, SUC at Oswego, SUNY Institute of Technology and Utica College.
