

GENDER STUDIES

HEGIS: 5649

SUNY CODE:

Gender Studies prepares students for a variety of employment opportunities and for continuing education in a number of fields. It permits students to build their academic credentials for transfer possibilities and acquire career-specific skills and expertise.

Program Objectives:

1. Provide an integrated approach to understanding the social and cultural constructions of gender by way of race, ethnicity, social class, age, sexual preference, etc. that shape the experiences of women and men in society.
2. Help students apply feminist perspectives across disciplines (historically, psychologically, culturally, and globally) in their research and writing.

Career Opportunities/Transfer Information

Graduates find employment in public relations, counseling, social and human services, or in the health and/or education field. Some of our graduates transfer to four-year colleges such as University at Albany, SUNY Binghamton, SUNY Buffalo, SUNY Oswego, Syracuse University, Cornell University, SUNY Brockport, Ithaca College, SUNY Plattsburgh, SUNY Purchase, Rochester Institute of Technology, Wells College and William Smith College.

1st Year
