**To determine your final exam time and date, follow the instructions below:**

- Look in the table to find the combination that contains both the days your class meets and time your class starts.  
(**TR** = Tuesday and Thursday; **MWF** = Monday, Wednesday, and Friday)
- In the shaded area at the top of the table are the **exam dates**. The shaded area at the right of the table are the **exam times**.

Example: If your class meets on MWF and starts at or between 10:30 and 11:30, the exam date is Wednesday, May 9, and the exam time is 10:30 a.m. - 12:30 p.m.

\* The final exam room is the same as the class meeting room.
