STUDENT RESPONSIBILITY
It is the student’s responsibility to familiarize himself/herself with all the College’s Rules and Regulations as set forth in official College publications.

POLICY CHANGES
The College reserves the right to make such changes in policies and procedures as it from time to time may deem advisable. Such changes shall take effect when specified by the College. Note: Failure to read this handbook does not excuse students from the requirements and regulations described herein.

HUMAN RIGHTS AND DIGNITY
The College expects all students, staff and faculty to practice high regard for the human dignity of other persons. It seeks to prevent all types of discrimination on the basis of race, sex, religion, sexual orientation, age, handicap and national origin. Repeated disregard for the rights and dignity of others will result in disciplinary action by the College. Any student who feels that he/she has been the victim of discrimination or harassment should first bring his/her complaint to the Dean of Students to discuss such problems and to seek recourse, including lodging an official complaint. If a formal hearing is required, the procedures established by the College and published in the Faculty Handbook shall be followed. Such a hearing shall be confidential.

USE OF COLLEGE’S NAME
In order to use the College’s name, clubs and organizations must be officially recognized by the College. Student groups that are not recognized may not use the College’s name or facilities. Organizations using the College’s name will function under the rules and regulations of the College. Parties interested in requesting official College recognition should contact the Director of Student Activities, in The Center for Student Leadership and Involvement, RMCC 220.

COLLEGE ID
It is the student’s responsibility to obtain an official Herkimer College ID from the ID office outside the College Bookstore. The ID needs to be carried at all times on campus and at off-campus College events. Students are required to present the ID as requested by College officials. The ID may also be used for General’s Cash Card purchases, library use, to allow admission to College sponsored events and to ride on the Herkimer College Shuttle Bus. If a student withdraws or is dismissed from the College, then their College ID will be surrendered to the Bursar’s office. The first ID is free and will be used throughout your time at Herkimer, while replacement ID’s are $10 each.

IMAGE RELEASE POLICY
As a student, faculty or staff member, or visitor to the campus of Herkimer County Community College or at an event not on campus, but sponsored by Herkimer College, you grant permission to Herkimer College and/or its assigns, its clients, or agents, full permission to use, publish, and copyright, either in whole or in part, photographs or other images or likenesses of yourself in the form of videotape, film or digital stills, or any other medium. 1. Full-time study at Herkimer College (12+ credit hours) is limited to those applicants who hold a high school diploma or a GED (now, “TASC”). Exception will be allowed for International students who are participating in the 24 College Credit Hour Program.

2. Out-of-county (Non-Herkimer County) resident students are required to have a high school average of 68 or higher or a GED (now “TASC”) test score of 2400 or more. Those out-of-county students failing to meet this criteria will not be accepted to the College; however they may appeal based on extenuating circumstances (Contact Admissions for Appeal Form).

   Alternatives to this admission requirement include:
   • Scoring 500 or more on each of the English and Math sections of the SAT
   • Scoring a 21 or higher composite score on the ACT
   • Transferring to Herkimer College with six or more college credits (not developmental courses) with a 2.0 GPA or higher

The College reserves the right to review other admissions criteria for out-of-county students.

3. Home schooled students who have not completed an approved program of study, must obtain a GED (now “TASC”) before admission to the college on a full-time basis. An approved program is accredited through an organization approved by the NYS Education Department or by a letter of certification from the school district superintendent in which the student resides.

4. Students who have been dismissed from another college for disciplinary reasons or have been convicted of a felony will not be admitted to study at Herkimer College either on a part-time or full-time basis until a satisfactory review of the incident(s) has been completed by a committee comprised of the Dean of Students, Director of Campus Safety, and Dean of Enrollment Management.

5. Students who expect to receive financial aid must file the Free Application for Federal Student Aid (FAFSA) no later than 60 days prior to the start of classes. Late filers will be responsible for tuition, fees, books and other expenses until the FAFSA has been processed.

Herkimer College does not discriminate on the basis of race, color, creed, gender, national origin, age, disability, marital status or any other characteristic protected by federal or state law in admissions, employment, or in any aspect regarding the conduct of College business.

FAMILY EDUCATION RIGHTS AND PRIVACY ACT
The college maintains the integrity of student privacy and is mandated by law to protect the privacy of eligible student records. Eligible students, as defined by the U.S. Department of Education, are transferred the rights to their educational records when they attend College or when they reach the age of 18. The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student’s education records. Pursuant to this law, this statement will constitute official notice of the following information:

1. The student has direct access to all student records on file at Herkimer College, except the following:
   Counseling
   • Financial records of parents
   • All records filed prior to January 1, 1975

2. The Act stipulates that the following persons and officials may have access to your records without your consent:
   • School officials with legitimate educational interest;
   • Other schools to which a student is transferring;
   • Specified officials for audit or evaluation purposes;
   • Appropriate parties in connection with financial aid to a student;
   • Organizations conducting certain studies for or on behalf of the school;
   • Accrediting organizations;
   • To comply with a judicial order or lawfully issued subpoena;
   • Appropriate officials in cases of health and safety emergencies; and
   • State and local authorities, within a juvenile justice system, pursuant to specific State law.

3. All other inquiries not listed in Item 2 above, and who wish access must have your written consent. Under these circumstances, a record must also be kept of their interest in your files. The student has a right to see this list at any time.

4. FERPA allows the College to disclose to the parent or legal guardian of students under 21 that the student has committed a violation of its drug and/or alcohol rules or policies. The Law also allows the College to disclose to parents when the student poses a threat to themselves, others, or the campus community. Please see the “STUDENT CODE OF CONDUCT” section for more details.

5. In order for you to inspect your official student record, you must make a written request to the Registrar stating which records you would like to see. This request will be answered within 45 days after the date of request. You have a right to have your record explained to you. You may also have a copy of certain records where permissible. If a copy is issued, a charge may be assessed.

6. On Registration Days, each new student will be given the opportunity to waive his/her right of access to all his/her educational records. The FERPA release form may be obtained from the Dean of Student’s Office (CA 264) or by logging onto www.herkimer.edu/experience/ferpa-release/.

7. You also have a right to challenge your personally identifiable records alleged to be inaccurate, misleading or otherwise inappropriate.

TEMPORARY ABSENCES DUE TO DISORDERS
A student who has been absent from classes due to hospitalization for a mental health disorder(s) may be required to have his/her psychologist/psychiatrist submit a written statement to the Dean of Students’ Office at the College stating that the student is able to return to the College. The statement should also specify any recommended/required out-patient treatment plan(s). If a student voluntarily or involuntarily is admitted for a psychological evaluation, then the student must follow-up with the Counseling Center on campus upon release.

AUDIO AND VIDEO PRODUCTION USAGE POLICY
The audio and video production facilities and equipment at Herkimer College are primarily for instructional use. College policy prohibits the use of such facilities and equipment for personal, commercial and/or other non-instructional projects.

Commercial projects are those that are not an approved class assignment nor a project otherwise approved by the College, for which a student receives monetary compensation or other valuable consideration by an individual, group or organization, whether on-campus or off-campus.

Facilities may be used from time to time for non-instructional projects. Such projects must be contracted through the College’s Office of Community Education.

Access to the production facilities is granted to students who:

- are officially enrolled in a class at Herkimer College that requires use of such facilities as stated in the course outline.
- are working on projects for HCTV or WVHC.
- having successfully completed approved production courses, are preparing demo reels.
- having demonstrated proficiency in the operation and care of equipment are allowed to do productions in support of other classes on campus or approved non-instructional projects.

The use of production equipment and facilities by students for class projects is within the context of a laboratory. Consequently, the nature and content of any such production projects are strictly subject to instructor approval. Under no circumstances will material unfit for broadcast under U.S. law or FCC regulations be deemed appropriate subject matter or content.

Students who demonstrate careless or improper behavior when working with equipment may be denied further access to equipment and facilities and may be subject to campus judicial policy.

HERKIMER COLLEGE AIDS POLICY

1. The College will follow the guidelines suggested by the American College Health Association. Copies of these guidelines are on permanent file in the College Library. They are available to all members of the College community.

2. The College’s primary response to the threat of AIDS must be educational. The College will conduct on-going educational programs.

3. Any College employee informed by another employee or student that he/she has AIDS must hold that information confidential. The right of confidentiality is protected by law.

4. Individuals who have AIDS may need special accommodations or restrictions. Each case must be determined on an individual basis. These determinations must be made according to the type and extent of the disease. Determinations will be made when permission is received from the individual with AIDS to release medical information and recommendations to the College.

5. Those who wish AIDS testing will be referred for testing and counseling as provided by the State Health Department.

INVESTIGATION OF VIOLENT FELONY OFFENSES/MISSING STUDENTS
The Campus Safety Department has primary law enforcement jurisdiction to investigate incidents that occur on the College campus. The Village of Herkimer Police Department will be advised of any incident or situation involving violent felonies or missing persons which may occur on any property owned, leased, or under the control of the College. In converse, the Village Police Department will notify the Campus Safety Department of any incident or situation on any property within the jurisdiction
of the Village that may affect the safety of the staff and students or any property owned, leased or under the control of the College.

CAMPUS SAFETY COMMITTEE
The purpose of the Campus Safety Committee is to identify campus safety concerns and to provide a forum for faculty, staff and students to make recommendations for eliminating existing and potential safety problems.

CAMPUS CREDIT CARD POLICY

</table>

Based upon comparison with other students in the course or students who have taken the course previously.

In computing averages for all students, only grades earned at the College are considered. A student must maintain a 2.00 average in order to qualify for graduation. If, at the end of any semester, a student is deficient in quality points or credit hours earned, he/she may be placed on probation or considered for dismissal, depending on the extent of the deficiency. A student
on probation who does not overcome quality point or credits completed deficiency at the end of the next semester will be considered for dismissal. A student on academic probation may not carry, during the next semester in attendance, more than the normal number of credit hours for that curriculum. A student may also be required to take a reduced load. The College reserves the right to withdraw, suspend or dismiss any student whose academic standing, conduct or attendance is unsatisfactory.

**Computation of Quality Points and Average**

To determine the quality point average, multiply the quality point value of each grade by the credits designated for each course; then divide the total quality points by the number of quality hours.

**Semester Grades**

At the end of each semester, final grades are available through Student Online Services (www.herkimer.edu/sos). THESE GRADES ARE PART OF THE STUDENT’S PERMANENT RECORD. Grades will not be available if the student has a financial obligation to the College.

**Attendance Withdrawal**

To maintain high quality academic work, regular attendance at class is necessary. Absence from class is considered a serious matter and never excuses a student from class work. Students must complete all assignments and other requirements of each course. A College-wide attendance policy states that a faculty member may administratively withdraw a student who has missed 20% or more of the class meetings or online required participation in a course.

See individual course syllabi for specific requirements.

**Incompletes**

When the student receives the grade I (incomplete), the student must complete the work within 45 calendar days from the end of the final exam period for the relevant semester. For courses ending before the end of the semester, the deadline is 45 calendar days after the last day of class.

**Academic Appeals and Changing Grades**

1. Appeals of grades for a Spring or Summer semester must be received in writing before October 15 of the following Fall semester. Appeals of grades for a Fall or Winter semester must be received in writing before March 1 of the following Spring semester.

2. Students must first consult with the instructor who gave the grade.

3. If the appeal with the instructor is unsatisfactory to the student, the student may appeal to the appropriate Associate Dean.

4. Appeals noted in (3) must be initiated before the end of the semester in which the process commenced.

**Course Overloads**

An overload is defined as a course a student wishes to take above and beyond 18 credits. Physical Education Activities (one credit hour course) are an exception and do not need to follow the guidelines. Course overloads are initiated with the student’s assigned faculty advisor.
The following criteria are used in determining approval for an overload:

1. Overloads are exceptions and not the norm.

2. The student should have a GPA of 3.25 or higher in coursework completed at Herkimer College.

3. The student should not have withdrawn from a course in any previous semester. (The impact is to elevate GPA and indicates that the student was unable to handle the normal load during that semester.)

4. Generally, overloads are not allowed for first year students.

5. Seniors with the approval of their Associate Dean may overload to meet graduation requirements.

All overloads must be approved by the Associate Dean of the Division.

There is a maximum of 22 credits allowed per semester, NO EXCEPTIONS.

**Academic Honors Program**

The College offers an Honors Program that provides qualified students with additional opportunities to expand their intellectual and artistic growth and to enrich their individual skills and abilities. The program promotes Herkimer College’s commitment to the pursuit of academic excellence and is available to students in all curricula. Students who successfully complete the Honors Program are given special recognition by the College.

The Honors Program enables students who are enrolled full-time to work on an independent project in one-credit courses during two different semesters. The student selects the course in which he/she wants to work independently, and the project is designed by the instructor of the course and the student. During the fourth semester (spring), students must enroll in a required Honors Seminar course. This is a nontraditional, inter-disciplinary course that provides students with an opportunity to use a variety of higher level learning techniques and to interact with other students who excel academically. Students in the Honors Program also meet periodically to attend cultural functions and to discuss special topics.

The following requirements should be noted by all students interested in the program:

1. Students who enter college need a high school average of 88 to be eligible for the special section of First Year Student Seminar. This section will augment the study of the topics by incorporating selected readings and other supporting material.

2. Applications will be available for all students obtaining at least a 3.5 average during their first semester as well as for students who transfer in with at least a 3.5 average.

3. Students applying for the program must complete an application and information sheet each semester.

4. A standard schedule of courses for a particular program as specified in the College catalog must be taken.

5. A student cannot withdraw from any course.

6. A student with a reduced course load because of required developmental courses is not eligible to apply in that semester for the Honors Program.

7. Students must maintain a 3.5 GPA to remain in the program.

**President’s List**

The President’s List is comprised of all students who have an average of 3.80 or better, with the exception of those who have failures, incompletes, equivalent credit courses, or have earned less than twelve credits in that semester. The President’s List is determined at the end of each semester and is entered on the student’s permanent record.
Dean’s List
The Dean’s List is comprised of all students who have an average of 3.25 or better, with the exception of those who have failures, incompletes, equivalent credit courses, or have earned less than twelve credits in that semester. The Dean’s List is determined at the end of each semester and is entered on the student’s permanent record.

Part-time Honors Policy

President’s List Requirements:
Part-time students will be eligible for President’s List honors if they:
1. Have accumulated 15, 30, 45, and/or 60 earned credit hours in residence;
2. Have a minimum cumulative grade point average of 3.80;
3. Be matriculated in a degree or certificate program; and,
4. Did not have a failure or incomplete (I) grade during the period.

Dean’s List Requirements:
Part-time students will be eligible for Dean’s List honors if they:
1. Have accumulated 15, 30, 45, and/or 60 earned credit hours in residence;
2. Have a minimum cumulative grade point average of 3.25;
3. Be matriculated in a degree or certificate program; and,
4. Did not have a failure or incomplete (I) grade during the period.

Graduation with Honors/High Honors/Highest Honors
The requirements for graduation with honors include a 3.25 cumulative average. The requirements for graduation with high honors include a 3.80 cumulative average. The requirements for graduation with highest honors include a 4.0 cumulative average. This designation requires a minimum of thirty semester hours earned at Herkimer College.

Who’s Who Among Students in American Junior Colleges Award
This honor is bestowed upon a select group of outstanding senior campus leaders for their scholastic and community service accomplishments.

Physical Education Requirement
Two credits of Physical Education activity courses are required for students in all degree programs. One credit may be granted for participation in a varsity sport. Students who complete their program entirely online may take either HE 130 or HE 121 to satisfy the physical education requirement.

Students may be exempt from required physical education activity courses for certified medical reasons. Documentation must be provided to the Health Office. In such cases, a minimum of two credits in a non-activity physical education or health course must be completed.

Military veterans may have earned credit and should contact the Registrar. Students requesting an exemption should submit their medical documentation to the Health Office at least one (1) year prior to the anticipated graduation date in order to allow sufficient time for course substitution. It is required that you have documentation from your doctor stating the specific reasons for your exemption and the period of time that it covers.

If an accident or injury occurs during the time the student is enrolled in classes, the Health Office needs to be made aware of this as soon as possible. No student is guaranteed an exemption even with proper documentation. There are several PE classes available that are low impact and every effort is made to have students take PE classes.

Requirements for Degrees and Certificates
1. Satisfactory completion of the minimum number of credits and courses required by the specific program. The student is responsible for registering for the proper courses and for fulfilling all degree requirements as outlined herein.
2. The earning of a 2.00 cumulative grade point average.
3. Payment of all financial obligations.

The College holds graduation ceremonies once a year at the end of the Spring semester. Students completing requirements at times other than the Spring semester will be awarded their diploma or certificate at the next regular commencement. Prior to commencement, a statement indicating completion of degree or certificate requirements will be issued upon request.

Change of Curriculum
Students wishing a change of curriculum (major) must complete the appropriate form obtained from the Counseling and Academic Advisement Center. The first curriculum change is free, all changes after are $25.

Drop/Add/Withdrawal from a Course
Students may drop/add courses for any given term as per the schedule posted by the Registrar’s Office. Students may add courses providing space permits. Schedule changes are initiated with the student’s assigned faculty advisor.

Following the official time period for dropping and adding a class, a student may withdraw from a course. This will be noted on an official transcript. Students who do not formally withdraw in the Registrar’s Office will be carried on class rosters, and will receive a failing grade for all assignments and tests not completed. The last date to withdraw formally from a course is the end of the tenth week of classes, or the equivalent time period (67%), in the case of a course of shorter duration than a full semester.

Applicable fees may apply. Any adjustments in charges will be based on the date the schedule changes are completed.

Withdrawal from the College
If a student wishes to withdraw from the College, he/she must obtain a Withdrawal Form from the Registrar’s Office. After obtaining all of the necessary signatures on the Withdrawal Form, it is returned to the Registrar for certification.

The official date of withdrawal is the date on which the Registrar certifies the Withdrawal form. The last day to withdraw formally from the College and receive W grades is the end of the tenth week of classes or the equivalent time period (67%), in the case of a course of shorter duration than a full semester.

Students who do not follow this procedure will be carried on the College rolls and will receive failing grades for all courses in which work is not completed.

No partial refund of tuition and fees can be made until a student has officially completed the withdrawal procedure and the withdrawal has been certified.

A student’s record will not be released unless financial obligations to the College have been met.

Depending on the date that a student withdraws, that student could be charged all or a percentage of the tuition, fees, room, and board for that semester. Additionally, depending on the type of financial aid a student receives, the student could go through a process of Title IV Recalculation. This process is when a student receives funding through specific federal government programs known as Federal Subsidized Loans, Federal Unsubsidized Loans, Federal Pell Grants, and Federal Supplemental Education Opportunity Grants. Basically, the recalculation policy states that a student “earns” federal financial aid directly in proportion to the number of days the student attends classes. If a student completely withdraws from school during a term, the school must calculate, according to a specific formula, the portion of the total federal financial aid the student has earned up until the date of withdrawal. If the student receives more aid than the student earns, the unearned excess funds must be returned to the source from which they came.

Withdrawal from the College for Medical Reasons
The Student Academic Progress and Status Guidelines will not be applied to any student who has formally withdrawn from the College for a certified medical reason. A statement from the attending physician verifying the medical problem will be required in order for the student to receive this waiver. This statement must be received by the Registrar’s Office and approved by the Provost prior to the end of the semester in which the withdrawal occurred.

Withdrawal for Emergency Active Duty
In the event of a national emergency, students may have responsibilities which supersede their academic obligations to the College. Having produced written proof of such assignment or duty to the Dean of Students, and with the expressed approval
of the Provost, each student will be provided with options for withdrawal.

Second Chance Policy
Any student who returns to Herkimer College, after an absence of three or more consecutive years (and a GPA below 2.0), may petition the Registrar to have the previous grade point average adjusted. Normally, grades of C or better will be considered for credit. Grades of D may be considered for second chance credit as long as the average of credits applicable is C or better. All courses and grades remain on the student’s record. This policy may be applied only one time per student.

Matriculation
Matriculation refers to a full-time or part-time student who has successfully satisfied all admission requirements and is officially accepted into a degree or certificate program through the Admissions Office. A full-time matriculated student meets the above-mentioned criteria and registers for 12 or more credit hours. A part-time matriculated student meets the above criteria and registers for less than 12 credit hours.

ACADEMIC STANDARDS AND REGULATIONS

Satisfactory Academic Progress
A student is considered to be in satisfactory academic standing if he/she maintains a cumulative GPA of 2.0 or higher. A student’s academic status is determined by the student’s cumulative GPA and/or the number of credit hours earned, compared to the number attempted as shown in the tables in the College catalog. These standards will not apply until a student has attempted a minimum of twelve (12) credits.

Academic Warning
A student is placed on academic warning if he/she fails to meet Academic Standards and Regulations as outlined in the college catalog. Students on academic warning are strongly encouraged to revise their schedules. Specifically, all courses in which the student received Fs or Zs should be retaken. A student placed on academic warning may have accompanying constraints placed upon his/her participation in certain activities and/or course work (i.e. athletics, field work, Student Government Association, etc.). In addition, a student should consider attending tutoring sessions, counseling, and/or study sessions to help improve his/her level of academic performance. Students on warning may be permitted to register for up to 18 credits.

Academic Probation
Academic probation is determined when a student does not earn the minimum number of credits to demonstrate academic progress, and/or the student’s cumulative grade point average does not reflect satisfactory progress given the number of credits attempted. (Refer to the Standards for Academic Progress chart in the college catalog.)

At the end of the semester, students will be notified of academic probation standing by letter (mailed to the permanent address listed in Student Online Services). This information will explain the process to follow to return for the subsequent semester.

The student will be required to meet with an Academic Advisor to develop/revise a schedule to repeat as many courses in which the student received grades of F’s/Z’s. During the meeting, students will be reintroduced to various college resources to ensure optimal chances for academic improvement. If the student does not meet with an Academic Advisor, and is registered for the next semester, the student’s schedule will be adjusted to meet the conditions of probation. Students are limited to 13 credits in the semester subsequent to placement on probation.

Academic Dismissal
A student will be dismissed when he/she fails to meet the minimum Academic Standards and Regulations as outlined in the college catalog. A student who is dismissed will not be allowed to attend Herkimer College for a minimum of one semester (the subsequent fall or spring semester(s) and is not eligible for federal financial aid. An appeal for the loss of financial aid must be made in writing to the Financial Aid office. Students seeking to appeal should contact the Financial Aid office for the proper form and procedures.

1. Students who have been academically dismissed may only appeal the dismissal due to extenuating circumstances that may permit the student who fails to meet the aforementioned standards to continue at the College. Students who feel they can present satisfactory evidence of extenuating circumstances should file the Academic Dismissal Appeal Form with the appropriate division immediately after receiving notification of dismissal. Appeals must be made by the established deadline. The Academic Dismissal Appeal Review Committee will make final decisions with regard to reinstatement. If a student’s appeal
is granted, but that student is limited to being a part-time student only, then he/she is not eligible to live in campus housing due to not having full-time status.

A Financial Aid Appeal form must be submitted to the Financial Aid Office for review of reinstatement of aid based on evidence of extenuating circumstances. The Financial Aid Appeals Committee makes final decisions on financial aid eligibility.

2. Students with more than one dismissal may be readmitted, with restrictions, if they have not attended Herkimer College for at least two semesters from the date of dismissal.

3. Dismissed students who have not been enrolled for at least three full years since their dismissal may be readmitted and may be eligible for the Second Chance Policy. Approval of the Second Chance Policy does not grant student’s eligibility for federal financial aid. A financial aid appeal may be granted for exceptional circumstances only.

Audit Policy
A student who wishes to audit a course, on a space available basis only, must obtain permission from the instructor of the course and the appropriate Associate Dean. With permission of the instructor, the auditor may submit written work for feedback. The final grade of AU (audit) will be assigned and a record of the course being audited will appear on the student’s transcript.

A student wishing to change his/her status must follow the procedure for changing a course. Changing from audit to credit or credit to audit basis during the semester will not be permitted after the third instructional day of the semester or the beginning of the second class meeting for an evening, summer session or mini semester course. Credit for an audited course cannot be established at a later date except by enrolling in the course for credit in a subsequent semester and satisfying all course requirements at that later time.

A part-time student auditor pays full tuition and fees for the course and attends under the same regulations established for full-time student auditors. Students wishing to register for a class on an audit basis must contact the Registrar’s Office. Separate receipts for payments of a class on an audit basis are given to students who are also registered in a class(es) for credit. This eliminates the problem of a person registered for 9 credit hours and 3 audit hours becoming classified as a full-time student.

Transportation to Field Experiences
Students in some programs may be required to participate in field experiences arranged by the College in local schools, hospitals, social agencies and business establishments. Each student is responsible for arranging and paying for their own transportation to scheduled off-campus experiences.

ACADEMIC COMPUTER CENTER
Herkimer College Academic Computer Center consists of seven on-campus computer labs. The seven labs offer more than 175 PCs, which are available to students for coursework. Microsoft Office (including word processing), Excel spreadsheets, Access database and E-mail are available. The Center is open Monday–Thursday, 8:00 a.m.–10:00 p.m.; and Friday, 8:00 a.m.–4:00 p.m.

Use of these resources is a privilege, not a right, and access is granted with restrictions and responsibilities for their use. Computer abuse is expensive and can have far-reaching negative consequences from disrupting the educational process to infringing on copyright. Misuse of Herkimer College computer resources may result in computing privileges revoked, suspension, dismissal and/or criminal prosecution.

Herkimer College students are entitled to use:
- Computer laboratories on campus.
- Wireless internet access (on campus).
- Wired Ethernet access in the residence halls.

ACADEMIC HONESTY POLICY AND PROCEDURE
Academic dishonesty shall include securing of information relative to the content of an examination prior to the scheduled time of the examination, giving or receiving assistance during an examination, and presenting as one’s own in reports, term papers or other projects any expression, quotations, or creative work of others without giving due credit to the author.

Plagiarism and cheating are violations of the Student Code of Conduct. The maintenance of academic honesty is the responsibility of both faculty and students. Any written assignment submitted by a student must be of original authorship. Representation of another’s work as his/her own shall constitute plagiarism. Any charge of plagiarism shall be substantiated by either a direct correlation between the original and the alleged plagiarized copy or a preponderance of evidence. Cheating shall be considered a violation and subject to the same penalties. Student should refer to the course syllabus for additional details.

Penalties
Any action is at the discretion of the instructor which may include any of the following:
- Failing the test.
- Failing the assignment.
- Failing the paper.
- Failing the course.

Request that the case be reviewed by the Associate Dean and Provost for possible referral to the Dean of Students for adjudication.

Course failure must be approved by the Associate Dean. Any action taken by the instructor must be reported in writing to the Associate Dean and to the Provost.

Appeal Process
If a student contests any of the above actions by the instructor, his/her appeal is to the appropriate Associate Dean and, hence, the Provost. If a case is adjudicated by the Dean of Students or Campus Judicial Board and the decision is to suspend or expel the student, the appeal is to the College President.

ABSENCE DUE TO RELIGIOUS BELIEFS
The following apply only to students who are unable, because of religious beliefs, to attend classes on certain days.

1. No person shall be expelled from or be refused admission as a student to Herkimer College for the reason that he/she is unable, because of his/her religious beliefs, to attend classes or to participate in any examination, study or work requirements on a particular day or days.

2. Any student in attendance at Herkimer College who is unable, because of his/her religious beliefs, to attend classes on a particular day or days shall, because of such absence on the particular day or days, be excused from any examination or any study or work requirements.

3. It shall be the responsibility of the faculty and of the administrative officials of each institution of higher education to make available to each student who is absent from school, because of his/her religious beliefs, an equivalent opportunity to make up any examination, study or work requirements which he/she may have missed because of such absence on any particular day or days. No fees of any kind shall be charged by the institution for making available to the said student such equivalent opportunity.

4. If classes, examinations, study or work requirements are held on Friday after 4:00 p.m. or on Saturday, similar or makeup classes, examinations, study or work requirements shall be made available on other days where it is possible and practical to do so. No special fees shall be charged to the student for these classes, examinations, study or work requirements held on
other days.

5. In effectuating the provisions of this section, it shall be the duty of the faculty and of the administrative officials of each institution of higher education to exercise the fullest measure of good faith. No adverse or prejudicial effects shall result to any student because of his/her availing himself/herself of the provision of this section.

6. Any student, who is aggrieved by the alleged failure of any faculty or administrative officials to comply in good faith with the provisions of this section, shall be entitled to maintain an action or proceeding in the Supreme Court of the County in which such institution of higher education is located for the enforcement of his/her rights under this section.

6a. A copy of this section shall be published by each institution of higher education in the catalog of such institution containing the listing of available courses.

7. As used in this section, the term “institution of higher education” shall mean schools under the control of the Board of Trustees of the State University of New York or the Board of Higher Education of the City of New York or of any community college.

CREDIT BY EXAMINATION
The College may grant credit by proficiency to students whose previous training, experience, or independent study has provided them with the appropriate background. See the College Catalog for specific details.

EMERGENCY CLOSING OR DELAY ANNOUNCEMENT
The President of the College will determine whether to remain open and/or cancel day classes. A decision will be made no later than 6:30 a.m. and communicated to the local radio and television stations. A “delay” usually is for one or two hours and does not affect the remaining daily campus activities. The closing of the campus affects all activities of the College for the day activities only. When the campus is closed during the day, it shall remain closed until 5:00 p.m. The closing of the campus includes canceling all activities of the College and athletic events. If a decision to close the College in the evening is made, an announcement shall be made via radio and the television station as outlined above. This announcement shall occur no later than 3:30 p.m. and will affect evening classes and all other activities including off-campus classes.

Instructional time lost because of closing due to weather conditions will be made up, for both day and evening students, prior to the end of the semester in which it falls. 2. The student should complete an Academic Complaint Resolution form which can be obtained from any division office. The responsible Associate Dean will resolve the issue.

SECTION IV ATHLETICS, STUDENT ACTIVITIES, & INVOLVEMENT

FACULTY-STUDENT ASSOCIATION
The Herkimer College Faculty-Student Association is a non-profit organization that supports the educational, social, athletic, recreational and cultural activities for the campus community. Students, faculty, and staff, as well as the general public, are welcome to attend any FSA sponsored event. The Herkimer College FSA also manages the College Bookstore and provides funds for Athletics and recognized clubs and organizations. FSA funding comes from the Student Activity Fee and from profits generated from the Bookstore. Most events are free to students who possess a Herkimer College ID card.

THE CENTER FOR STUDENT LEADERSHIP AND INVOLVEMENT
The Center for Student Leadership & Involvement is located in the Robert McLaughlin College Center room 220. This office serves to support and augment the varied co-curricular and academic pursuits of the Herkimer College student body. Over 30 active clubs and organizations provide students with the opportunity to explore new ideas, assume leadership roles, and generate and run social events.

The office staff works directly with student groups and helps them turn their ideas into real programs. Leadership development programs are offered to assist students in becoming more effective in working with clubs and organizations and with their future careers. The Center for Student Leadership & Involvement staff works directly with the Student Government Association and the Student Activities Committee to plan and operate a wide range of social and educational programs. In addition, the Center for Student Leadership and Involvement is responsible for supervision of Alumni Hall, the Game Room, and the Commuter Student Resource Center.

STUDENT GOVERNMENT ASSOCIATION (SGA)
The Student Government Association is the governing student agency of the College. All student activity-fee paying students are eligible to vote in its election. Meetings of the SGA are held bi-weekly, and all students have full speaking privileges at these meetings. Budgets for student organizations and for athletics must be approved by the SGA for presentation to the FSA Board of Directors. The SGA is a member in good standing of the Community College Student Association, Inc., a not-for-profit corporation with statewide membership. In the past, Senators have served on various positions in statewide student government, including committees appointed by the Board of Trustees of the State University, committees of the Student Assembly, and the Board of Directors of the Community College Student Association. SGA’s Office is located in the College Center, RMCC 220.

SECTION V: RULES AND REGULATIONS

MAINTENANCE OF PUBLIC ORDER AT HERKIMER COLLEGE
Statement of Purpose: The following rules have been adopted by the Herkimer College Board of Trustees and are in compliance with Section 6450 of the Education Law (filed with the Commissioner of Education and the Board of Regents on or before July 20, 1969, as required by that Section). The authority for the administration of regulations at the College shall rest with the College’s chief administrative officer.

The concepts of academic freedom and an open exchange of ideas are essential to the mission of any educational institution. Herkimer College is committed to these ideals, and as a public institution is legally obligated to protect its members’ First Amendment right of freedom of expression. Respect for this right requires that members of the College tolerate the expression of views that are contrary to their own, and recognize that the expression of ideas that are intolerant, bigoted or deeply offensive are entitled to First Amendment protection. Equally important, however, is the understanding that free expression carries with it the responsibility of civility and respect for others. The College views conduct intended to disparage or demean others as contrary to the pursuit of knowledge and rational discourse.

CRIME STATISTICS AVAILABILITY STATEMENT  (Clery Statement)
A copy of the Herkimer College’s campus crime statistics as reported annually to the U.S. Department of Education will be provided upon request by the Campus Safety Committee. Please direct all such requests to the Office of the Dean of Students at (315) 866-0300, Ext. 8276. Information can also be obtained from the U.S. Department of Education website at http://ope.ed.gov/security/ or by going to the Campus Safety section of the Herkimer College website at http://www.herkimer.edu/safety/ and clicking on the Security and Fire Safety Report page.

TIMELY WARNINGS
In the event that a situation arises, either on or off campus, that, in the judgment of the President, Dean of Students or Director of Campus Safety, constitutes an ongoing or continuing threat, a campus wide “Timely Warning” will be issued. The warning will be issued through the College e-mail and website to students, faculty and staff, and will be posted on campus and in the campus residence halls as is appropriate.

Procedures for Shelter in Place

When an imminent threat to the safety of the campus community exists, the Disaster Coordinator (Director of Campus Safety) will activate a Shelter in Place directive. The order will be given with a SEVERE (Red) or MODERATE (Blue) level. The level of shelter in place may change as the situation changes.

The instructions for each level of Shelter in Place are as follows:

Severe (Code Red) Communicated with NY-Alert and Campus Siren
- You should immediately lock yourself and any other uninvolved persons in a classroom or office. If possible, cover windows or openings that have direct line of sight into the room. Phones should be set to silent so an intruder will not hear your phone, but you can still receive NY-Alert messages.
- Do not sound the fire alarm as this can place occupants in harm’s way during an evacuation.
- Call 911 with any information that may be useful to responders (if you can).
- Try to remain as calm as possible.
- If you are outside, stay out of open areas and be quiet.

Moderate (Code Blue) Communicated with NY-Alert
- You may move around within the buildings, but do not go outside. If you need to move between buildings, use the indoor connecting corridors.
- Do not sound the fire alarm as this can place others in harm’s way during an evacuation.
- Call 911 with any information that may be useful to responders.
- Try to remain as calm as possible.
- If you are outside, try to get inside a building as quickly as possible.

Please note that in some cases, such as a tornado, you may be directed to evacuate classrooms and offices with windows and shelter in place in hallways, closets, and other interior spaces away from windows.

BIAS CRIMES PREVENTION

Hate Crimes and the Law
It is Herkimer College’s mandate to protect all members of the Herkimer College community by preventing and prosecuting bias or hate crimes that occur within the campus’ jurisdiction.

Hate crimes, also called bias crimes or bias-related crimes, are criminal activity motivated by the perpetrator’s bias or attitude against an individual victim or group based on perceived or actual personal characteristics, such as their race, religion, ethnicity, gender, sexual orientation, or disability. Hate/bias crimes have received renewed attention, particularly since the passage of the federal Hate/Bias Crime Reporting Act of 1990 and the New York State Hate Crimes Act of 2000 (Penal Law Article 485). Copies of the New York law are available from Campus Safety.

Penalties for bias-related crimes are very serious and range from fines to imprisonment for lengthy periods, depending on the nature of the underlying criminal offense, the use of violence or previous convictions of the offender. Perpetrators who are students will also be subject to campus disciplinary procedures where sanctions including dismissal are possible.

In addition to preventing and prosecuting hate/bias crimes, Herkimer College Campus Safety also assists in addressing bias-related activities that do not rise to the level of a crime. These activities, referred to as bias incidents and defined by the College as acts of bigotry, harassment, or intimidation directed at a member or group within the Herkimer College community based on national origin, ethnicity, race, age, religion, gender, sexual orientation, disability, veteran status, color, creed, or marital status, may be addressed through the College’s Complaint Procedure or the campus conduct code. Bias incidents can be reported to Campus Safety as well as to Human Resources.

If you are a victim of, or witness to, a hate/bias crime on campus, report it to Campus Safety by calling 911 in an emergency, using a Blue Light or other campus emergency telephone, calling (315) 866-0300, ext. 8616 or stopping by CA 138. Campus Safety will investigate and follow the appropriate adjudication procedures.

Victims of bias crime or bias incidents can avail themselves of counseling and support services from the campus by contacting the College Counseling Center at (315) 866-0300, Ext. 8284 or in RMCC 302.

For general information on Herkimer College security procedures, see www.herkimer.edu or call (315) 866-8616. More information about bias-related and bias crimes, including up-to-date statistics on bias crimes is available from the Office of the Dean of Students in CA 264.

SEXUAL VIOLENCE PREVENTION AND RESPONSE POLICY

Sexual Assault and the Law
Herkimer College has programs in place to protect all members of the Herkimer College community from sexual assault, including programs for prevention and prosecution of these crimes that occur within the jurisdiction of Herkimer College Campus Safety. Herkimer College does not condone any type of sexual activity without proper consent. As defined, Consent is clear, unambiguous and voluntary agreement between the participants to engage in specific sexual activities.

NYS Law contains the following legal provisions defining the crimes related to sexual assault:

Section 130.20—Sexual Misconduct. This offense includes sexual intercourse without consent and deviate sexual intercourse without consent. The penalty for violation of this section includes imprisonment for a definite period to be fixed by the court up to one year.

Section 130.25/.30/.35—Rape. This series of offenses includes sexual intercourse with a person incapable of consent because of the use of forcible compulsion or because the person is incapable of consent due to a mental defect, mental incapacity, or physical helplessness. This series of offenses further includes sexual intercourse with a person under the age of consent. The penalties for violation of these sections range from imprisonment for a period not to exceed four years up to imprisonment for a period not to exceed 25 years.

Section 130.40/.45/.50—Criminal Sexual Act. This series of offenses includes oral or anal sexual conduct with a person incapable of consent because of the use of forcible compulsion or because the person is incapable of consent due to a mental defect, mental incapacity, or physical helplessness. This series of offenses further includes oral or anal sexual conduct with a
person under the age of consent. The penalties for violation of these sections range from imprisonment for a period not to exceed four years up to imprisonment for a period not to exceed 25 years.

**Section 130.52—Forcible Touching.** This offense involves the forcible touching of the sexual or other intimate parts of another person for the purpose of degrading or abusing such person; or for the purpose of gratifying the actor’s sexual desire. Forcible touching includes the squeezing, grabbing, or pinching of such other person’s sexual or other intimate parts. The penalty for violation of this section includes imprisonment for a period of up to one year in jail.

**Section 130.55/.60/.65—Sexual Abuse.** This series of offenses includes sexual contact with a person by forcible compulsion, or with a person who is incapable of consent due to physical helplessness, or due to the person being under the age of consent. The penalties for violation of these sections range from imprisonment for a period not to exceed three months up to imprisonment for a period not to exceed seven years.

**Section 130.65-a/.66/.67/.70—Aggravated Sexual Abuse.** This series of offenses occurs when a person inserts a finger or a foreign object in the vagina, urethra, penis or rectum of another person by forcible compulsion, when the other person is incapable of consent by reason of being physically helpless, or when the other person is under the age of consent. The level of this offense is enhanced if the insertion of a finger or foreign object causes injury to the other person. The penalties for violation of these sections range from imprisonment for a period not to exceed seven years up to imprisonment for a period not to exceed 25 years.

**Definition of Affirmative Consent**

“Affirmative consent is a knowing, voluntary, and mutual decision among all participants to engage in sexual activity. Consent can be given by words or actions, as long as those words or actions create clear permission regarding willingness to engage in the sexual activity. Silence or lack of resistance, in and of itself, does not demonstrate consent. The definition of consent does not vary based upon a participant's sex, sexual orientation, gender identity, or gender expression.”

**Policy for Alcohol and/or Drug Use Amnesty in Sexual and Interpersonal Violence Cases**

The health and safety of every student at the State University of New York and its State-operated and community colleges is of utmost importance. Herkimer College recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. Herkimer College strongly encourages students to report incidents of domestic violence, dating violence, stalking, or sexual assault to institution officials. A bystander acting in good faith or a reporting individual acting in good faith that discloses any incident of domestic violence, dating violence, stalking, or sexual assault to Herkimer College officials or law enforcement will not be subject to Herkimer College’s code of conduct action for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the domestic violence, dating violence, stalking, or sexual assault.

**Campus Climate Assessment**

Climate assessments afford institutions the opportunity to better understand their campus and to make informed decisions when it comes to providing a safe educational environment. Beginning in the 2016-2017 academic year, each State University of New York State-operated and community college will conduct a uniform climate survey that ascertains student experience with and knowledge of reporting and college adjudicatory processes for sexual harassment, including sexual violence, and other related crimes.

The survey will address at least the following:

- Student and employee knowledge about:
  - The Title IX Coordinator’s role;
  - Campus policies and procedures addressing sexual assault;
  - How and where to report sexual violence as a victim/survivor or witness;
  - The availability of resources on and off campus, such as counseling, health, academic assistance;
  - The prevalence of victimization and perpetration of sexual assault, domestic violence, dating violence, and stalking on and off campus during a set time period (for example, the last two years);
  - Bystander attitudes and behavior;
  - Whether victims/survivors reported to the College/University and/or police, and reasons why they did or did not report.
  - The general awareness of the difference, if any, between the institution’s policies and the penal law; and
  - The general awareness of the definition of affirmative consent.

27
Every institution shall take steps to ensure that answers remain anonymous and that no individual is identified. Results will be published on the campus website providing no personally identifiable information shall be shared.

Students' Bill of Rights
The State University of New York and Herkimer County Community College are committed to providing options, support and assistance to victims/survivors of sexual assault, domestic violence, dating violence, and/or stalking to ensure that they can continue to participate in College-wide and campus programs, activities, and employment. All victims/survivors of these crimes and violations, regardless of race, color, national origin, religion, creed, age, disability, sex, gender identity or expression, sexual orientation, familial status, pregnancy, predisposing genetic characteristics, military status, domestic violence victim status, or criminal conviction, have the following rights, regardless of whether the crime or violation occurs on campus, off campus, or while studying abroad:

8. Be free from retaliation by the institution, the accused and/or the respondent, and/or their friends, family and acquaintances within the jurisdiction of the institution;

Sexual Violence Response Policy
The State University of New York and Herkimer County Community College wants you to get the information and support you need regardless of whether you would like to move forward with a report of sexual violence to campus officials or to police. You may want to talk with someone about something you observed or experienced, even if you are not sure that the behavior constitutes sexual violence. A conversation where questions can be answered is far superior to keeping something to yourself. In accordance with the Student’s Bill of Rights, reporting individuals shall have the right to pursue more than one of the options below at the same time, or to choose not to participate in any of the options below:

Reporting:
- To disclose confidentially the incident to a college or community official, who by law may maintain confidentiality, and can assist in obtaining services:
  - Counseling Center – 315-866-0300 (x8284). College Center, Room 302.

Reporting individuals are encouraged to additionally contact a campus confidential or private resource so that the campus can take appropriate action in these cases).

- To disclose the incident to one of the following college officials who can offer privacy and can provide information about remedies, accommodations, evidence preservation, and how to obtain resources. Those officials will also provide the information contained in the Students’ Bill of Rights, including the right to choose when and where to report, to be protected by the institution from retaliation, and to receive assistance and resources from the institution. These college officials will disclose that they are private and not confidential resources, and they may still be required by law and college policy to inform one or more college officials about the incident, including but not limited to the Title IX Coordinator. They will notify reporting individuals that the criminal just process uses different standards of proof and evidence than internal procedures, and questions about the penal law or the criminal process should be directed to law enforcement or district attorney:
  - Campus Safety – 315-866-0300 (x8616) or call 911.

Disciplinary proceedings will be conducted in accordance with applicable collective bargaining agreements. When the accused is an employee of an affiliated entity or vendor of the college, college officials will, at the request of the reporting individual, assist in reporting to the appropriate office of the vendor or affiliated entity and, if the response of the vendor or affiliated entity is not sufficient, assist in obtaining a persona non grata letter, subject to legal requirements and college policy.

Protection and Accommodations:

Both the accused/respondent and reporting individual may request a prompt review of the need for and terms of a No Contact Order, consistent with Herkimer County Community College policy. Parties may submit evidence in support of their request. The campus will promptly review existing no contact orders at a party’s request, including requests to modify the terms of or discontinue the order. - The right to receive advance written or electronic notice of the date, time, and location of any meeting or hearing they are required to or are eligible to attend. Accused individuals will also be told the factual allegations concerning the violation, a reference to the specific code of conduct provisions alleged to have been violated, and possible sanctions.

The right to have access to a full and fair record or a student conduct hearing, which shall be preserved and maintained for at least five years.

The right to choose whether to disclose or discuss the outcome of a conduct hearing.

The right to have all information obtained during the course of the conduct or judicial process be protected from public release until the appeals panel makes a final determination unless otherwise required by law.

In student disciplinary proceedings involving domestic violence, dating violence, stalking, or sexual violence, the campus will allow parties to review available evidence held by the campus in accordance with college/university policy. Parties can also present available evidence as appropriate under campus policies.

- For crimes of violence, including, but not limited to sexual violence, defined as crimes that meet the reporting requirements pursuant to the federal Clery Act, institutions shall make a notation on the transcript of students found responsible after a conduct process that they were “suspended after a finding of responsibility for a code of conduct violation” or “expelled after a finding of responsibility for a code of conduct violation.” For the respondent who withdraws from the institution while such conduct charges are pending, and declines to complete the disciplinary process, institutions shall make a notation on the transcript of such students that they “withdrew with conduct charges pending.” Each institution shall publish a policy on transcript notations and appeals seeking removal of a transcript notation for a suspension, provided that such notation shall not be removed prior to one year after conclusion of the suspension, while notations for expulsion shall not be removed. If a finding of responsibility is vacated for any reason, any such transcript notation shall be removed.

Educational Programs
Educational programs to promote awareness of rape, acquaintance rape, and sexual offenses are presented to the campus community. Campus Safety and Student Services staff provide programs for the benefit of all students, including Residence hall students.

(TITLE IX) SEXUAL DISCRIMINATION AND SEXUAL ASSAULT

“No person in the United States shall, on basis of sex, be excluded from participation, in, be denied the benefits of, or be subject to discrimination under any educational program or activity receiving Federal financial assistance”. – Title IX of the Educational Amendments of 1972 to the 1964 Civil Rights Act.

In accordance with Federal and State laws and regulations, Herkimer College prohibits discrimination and harassment on the basis of race, color, national origin, political beliefs, age, religion, sex, gender identity, sexual orientation, marital status, military status, predisposing genetic characteristics, or disability, including pregnancy in acceptance for and/or provision of services,
employment, and access to services, programs, and activities.

**Athletic Equality**
Title IX governs the overall equality of opportunity and treatment in athletic programs while giving flexibility to choose sports based on student interest, geographic influences, budget restraints, and gender ratio. Herkimer College’s primary goal is to have equal opportunity for men and women to participate in intercollegiate and recreational programs.

**Additional Discrimination**
The most common applications of the Title IX law apply to Athletic Equality and Sexual Harassment. Title IX also applies to admissions, financial aid, academic matters, career services, counseling services, medical services, and all other programs and services available to Herkimer College students.

**Sexual Harassment**
The Equal Employment Opportunity Commission has amended its Guidelines on Discrimination because of Sex, in order to clarify its position on the issue of sexual harassment, an unlawful employment practice.

1. “The guidelines define sexual harassment as: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature... when
   • submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment,
   • submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
   • such conduct has the purpose or effect of substantially interfering with an individual’s work performance or creating an intimidating, hostile, or offensive working environment.”

2. Though the guidelines are based on Title VII and apply only to sexual harassment in the workplace, consistent with SUNY’s policy to ensure fair treatment to all individuals, protection for students is to be provided by these same guidelines.

3. Herkimer College has an existing formal grievance procedure for the benefit of its employees and students. The grievance procedure will be used for the review of any allegations an employee or student may have against another employee or student of Herkimer College.

**Complaint/Grievance Procedure**
A grievance may be filed for ANY unlawful discrimination against someone in regard to race, color, national origin, religion, age, sex, disability or marital status, political beliefs, gender identity, sexual orientation, military status, predisposing genetic characteristics, or disability, including pregnancy. A formal complaint may be filed with a Campus Title IX Compliance Officer.

Each student of Herkimer College has an obligation to report discrimination and prohibited sexual harassment to an appropriate College official. Any student who believes he or she is the victim of discrimination or prohibited harassment should report it to a Campus Title IX Compliance Officer or any other faculty or staff member with whom he or she feels most comfortable.

All Inquiries, complaints, grievances, and investigations are treated with sensitivity, seriousness, and confidentiality. Only when required by law or when there is issue of safety, will confidential information be shared with the appropriate individuals without the complaint’s knowledge.

Herkimer College Campus TITLE IX Compliance Officers review, update, and implement current Title IX policies. They coordinate training and resources, in order to, ensure effective and timely responses to complaints, misconduct, discrimination, and/or harassment.

For cases involving employees (complaints between employees and/or between employees and students), complaints should be filed with the Director of Human Resources. For cases involving students (complaints between students), complaints should be filed with Dean of Students. Students or employees will have 90 calendar days to formally file a complaint. Faculty or staff members who receive a complaint from a student must immediately inform a designated Campus Title IX Compliance Officer.

Formal Resolution (Complaints between Students)
Once a complaint of discrimination or prohibited harassment has been made, either in writing or orally, or observed discrimination or harassment has been reported, the designated Campus Title IX Compliance Officer (Dean of Students) will have 14 calendar days to investigate the complaint and communicate in writing a response to the grievant and the individual alleged to have committed the act, describing any actions that will be taken to redress the issue. While the investigation is being conducted, appropriate immediate steps to end the alleged discrimination and/or harassment will be taken. The Dean of Students then has the discretion of mediating the complaint, sending the case to an Administrative Hearing, or sending the case to the Judicial Review Board. The Dean of Students shall then be obligated to communicate in writing his/her decision to the grievant and the individual alleged to have committed the act, within 14 calendar days after receiving the grievant's complaint.

Formal Resolution (Complaints between Employees and/or Complaints between Employee and Student)
Once a complaint of discrimination or prohibited harassment has been made, either in writing or orally, or observed discrimination or harassment has been reported, the designated Campus Title IX Compliance Officer (Director of Human Resources) will have 14 calendar days to investigate the complaint and communicate in writing a response to the grievant and the individual alleged to have committed the act, describing any actions that will be taken to redress the issue. While the investigation is being conducted, appropriate immediate steps to end the alleged discrimination and/or harassment will be taken. The Director of Human Resources then has the discretion of mediating the complaint.

The Director of Human Resources shall then be obligated to communicate in writing his/her decision to the grievant and the individual alleged to have committed the act, within 14 calendar days after receiving the grievant's complaint.

Appeal Process
If the grievance has not been satisfactorily resolved by formal resolution, the grievant may then appeal the decision to the President of Herkimer College within 14 calendar days after receiving the decision rendered. The President shall then be obliged to give the grievant a hearing within 14 calendar days of receipt of the appeal.

The grievant and the individual alleged to have committed the act shall be notified in writing of the hearing at least seven (7) calendar days prior to the date set for such a hearing. At the hearing, the grievant and/or his/her representative, and the individual alleged to have committed the act, and his/her representative may appear and present oral and/or written statements either directly or through witnesses. The President shall then be obliged to communicate his/her decision in writing together with his/her supporting reasons to the grievant and the individual alleged to have committed the act, within 14 calendar days after the completion of the hearing. The decision made as a result of an appeal to the President of the College is considered final.

Herkimer College takes complaints of discrimination and prohibited harassment with the greatest seriousness. For that reason, any individual who is found to have engaged in conduct which violates this policy will be subject to discipline. For students, discipline may include the possibility of suspension or expulsion from the College.

DRUGS AND OTHER CONTROLLED SUBSTANCES
The sale, use, possession or distribution of prohibited drugs or other controlled substances, or loitering with the intent of engaging in any of these activities, is prohibited on any College or College-related property. The term “drug” includes all controlled substances defined in section 220.00 of the New York State Penal Law and Marijuana Reform Act of 1977.

The College will cooperate fully and completely with local or state authorities on any case of suspected illegal use, possession or redistribution of state controlled drugs. Any student who is apprehended for the same will in no way be protected by the College. The offender may also face separate disciplinary action by the College. The disciplinary action may include, but is not limited to reprimand, disciplinary probation with or without specific conditions, referral to individual and/or group counseling (possibly at the student’s expense), parental notification, suspension, or expulsion. Students residing in residences operated by HCCC Housing Corporation are subject to HCCC Housing Corporation rules as well as the Herkimer College Student Code of Conduct.

SMOKING, FOOD, AND BEVERAGE POLICY
Smoking is permitted in designated areas only, all other areas are non-smoking. This includes all campus buildings and all College vehicles. This smoking ban also applies to electronic cigarettes and chewing tobacco.

Food and beverages are not permitted in classrooms, laboratories, lecture halls, gymnasiums, the library, theater, swimming pool, deck, Hummel Center Theater, Cogar Gallery or other designated areas at any time unless specifically approved by the College President.

This regulation applies to all students, visitors, and employees of the College.

ALCOHOL USE POLICY
No person shall possess, sell or give away alcoholic beverages in any building or on any property owned or controlled by Herkimer College, the HCC Foundation, including HCCC Housing Corporation residence halls. Any exception needs the prior approval of the College President. Open containers of alcoholic beverages may not be possessed on campus. Herkimer College holds person(s) responsible for their conduct at all times, including behaviors which occur while under the influence of alcohol.

Persons violating these policies will be subject to disciplinary action. The disciplinary action may include, but is not limited to reprimand, disciplinary probation with or without specific conditions, referral to individual and/or group counseling at the student’s expense, removal from residences operated by HCCC Housing Corporation, parental notification and/or suspension. Alcohol is not allowed in residences operated under the HCCC Housing Corporation, by student residents and/or their guests. Violations are subject to HCCC Housing Corporation rules as well as the Herkimer College Student Code of Conduct.

HEALTH RISKS ASSOCIATED WITH THE USE OF ILLICIT DRUGS AND ALCOHOL
According to the National Institute on Drug Abuse (http://www.drugabuse.gov), drug addiction is a brain disease. The impact of addiction can be far reaching. Cardiovascular disease, stroke, cancer, HIV/AIDS, hepatitis, and lunch disease can all be affected by drug abuse (December 2012).

Alcohol affects every organ in the drinker’s body and can damage a developing fetus. Intoxication can impair brain function and motor skills; heavy use can increase risk of certain cancers, stroke, and liver disease (November 2014).

ALCOHOL AND OTHER DRUG (AOD) POLICY
This policy on alcohol and other drugs governs the activity of all students, residents, and their visitors and guests. The service, distribution, sale, possession and/or consumption of alcoholic beverages or attempt thereof on the Herkimer College Campus and HCCC Housing Corporation property are prohibited.

Unlawful behavior involving alcohol, but not limited to, underage drinking, public intoxication, drinking and driving and manufacturing and/or distributing is prohibited.

The manufacture, distribution, sale, purchase, possession and/or use of any illegal drugs or controlled substances or attempts thereof on the Herkimer College Campus and HCCC Housing Corporation property are prohibited. Persons violating these policies are subject to disciplinary action.

The disciplinary actions may include, but is not limited to reprimand, disciplinary probation with or without specific conditions, referral to individual and/or group counseling at the student’s expense, parental notification and/or suspension.

A violation of this policy shall be considered a breach of the student housing contract and a violation of the College Student Code of Conduct. Sanctions imposed under this policy do not diminish or replace the penalties available under generally applicable federal, state or local laws.
PROCEDURES FOR VIOLATIONS TO ALCOHOL AND OTHER DRUG (AOD) POLICY
An Administrative Hearing will be scheduled for any student allegedly in violation of the policies stated here. If the student is found responsible for the alleged violation, the following sanctions will be administered:

**First Offense**
1. Disciplinary probation until such time as the student is no longer enrolled.
2. Two mandated counseling or substance abuse education sessions.
3. Students who host Large Parties (10 or more people) in their on campus apartment when alcohol and other drugs are being consumed may be subject to immediate removal from campus housing.
4. Additional sanctions, if deemed necessary.
5. Failure to comply with any sanction will result in an additional violation of “failure to comply,” thus resulting in additional sanctions being administered.

**Second Offense**
1. May be temporarily removed from College Housing.
2. Substance abuse assessment by Counseling Center staff and/or referral for substance abuse evaluations to outside agencies as recommended by the College. Mandatory participation in a second level AOD education and intervention program.
3. Students who host Large Parties (10 or more people) in their on campus apartment when alcohol and other drugs are being consumed may be subject to immediate removal from campus housing.
4. Additional sanctions, if deemed necessary.
5. Failure to comply with any sanction will result in an additional violation of “failure to comply,” thus resulting in additional sanctions being administered.

**Third Offense**
1. Possible suspension from classes for the remainder of the semester and/or subsequent semester.
2. Permanent removal from College Housing.
3. Additional sanctions, if deemed necessary.
4. Failure to comply with any sanction will result in an additional violation of “failure to comply,” thus resulting in additional sanctions being administered.

GOOD SAMARITAN POLICY
Students who seek medical attention in an Alcohol and/or substance abuse-related emergency should not be concerned with the potential disciplinary consequences for themselves and for the person in need of assistance.

Because the safety and security of Herkimer College students is a priority, the College has instituted a medical amnesty policy; also known as the Good Samaritan Policy.

This policy is applicable to the following parties:
- Student requesting medical assistance for oneself;
- Student requesting medical assistance for another person;
- Student for whom medical assistance was provided.

When responding to such AOD (alcohol and drug) violations, the College will consider the student's decision to request medical assistance as an act of good judgment, therefore not deserving of the typical range of AOD sanctions. Thus, if it is determined that the Good Samaritan Policy applies to a situation, the student(s) involved will not be subject to a violation of the AOD Policy.

CODE ADMINISTRATION
The Dean of Students, or designee (e.g., Director of Campus Safety), shall administer the Student Code of Conduct, and questions regarding its interpretation shall be referred to the Dean, or designee, for final determination. The Director of Residence
Life and Area Coordinators, through their work with the HCCC Housing Corporation, are also actively involved with the administration of the Student Code of Conduct, and have the authority to hold Administrative Judicial Hearings with students. Additionally, the College may apply to the public authorities for any aid which he/she deems necessary in causing the ejection of any violator of these rules. The College administration reserves the right to request the assistance of local and state law enforcement agencies and to use the powers of the courts for injunctions or other legal devices to maintain an atmosphere on the College so that its educational purposes can be met. Violation of the Student Code of Conduct may also be a violation of law. College sanctions may be applied to an offender even though civil authorities may impose concurrent sanctions for the same violation.

HEARINGS
The Dean of Students shall review all alleged infractions involving students and shall determine whether an Administrative Judicial Hearing or a hearing by the Judicial Review Board is appropriate. Such decisions will be based upon the circumstances and severity of each individual case. For cases that may result in expulsion from the College, then that case must be heard by the Judicial Review Board.

The College may temporarily suspend a student pending a hearing if, in the Dean of Students’ judgment, the student’s continued presence at the College constitutes a danger to the student or others or to the College’s activities or property. The student is entitled to an immediate interview with the Dean of Students to discuss the decision, and may bring counsel to the interview. An Administrative Judicial Hearing or Judicial Review Board hearing should be convened within 10 class days of the suspension. If a student is incarcerated, and thus unable to attend a hearing, then the student will be instructed to contact the Dean of Students Office to schedule a hearing upon their release.

(a) Administrative Judicial Hearing—The Dean of Students may conduct an Administrative Judicial Hearing or appoint Administrative Judicial Hearing Officer(s) to conduct a hearing. Possible sanctions as a result of an Administrative Judicial Hearing include but are not limited to reprimand, removal from residences operated by HCCC Housing Corporation, restitution, disciplinary probation with or without specific conditions, deferred suspension, fines, and/or suspension from the College for a designated period of time.

(b) Judicial Review Board Hearing—The Judicial Review Board consists of four students, four faculty members and one administrator. There must be a combination of at least 6 members present for a hearing to be held. Board members are appointed by the President of the College. Possible sanctions include but are not limited to reprimand, removal from residences operated by HCCC Housing Corporation, restitution, fines, disciplinary probation with or without specific conditions, deferred suspension, suspension or expulsion.

(c) Definitions and possible sanctions:
1. REPRIMAND is a formal discussion of the consequences of future misconduct. Reprimand does not become a matter of permanent record.
2. RESTITUTION requires the student to reimburse the wronged party or parties for destruction, damage or misappropriation of property. Restitution may take the form of service or other compensation as well as money.
3. DISCIPLINARY PROBATION WITH OR WITHOUT SPECIFIC CONDITIONS is for a specified period of time. If conditions are applied, such conditions would include but not be limited to participation in any College activities, access to particular facilities and/or events, or any personal contact with specific individuals.
4. SUSPENSION is temporary withdrawal from the College for a specified period, usually a semester or longer, after which the student may return. Suspension is recorded on the student’s permanent judicial folder.
5. DEFERRED SUSPENSION is a written notice that College rules have been violated and while the offense could result in suspension, circumstances exist that would mitigate that action. This sanction implies that any further violation of College policy may result in the suspension of the student from the College.
6. EXPULSION from the College is permanent. There is no opportunity for reinstatement.
7. Any student who is apprehended for an incident which is serious in nature and/or which is the result of the use/possession of alcohol or illegal drugs may be subject to the following:
   - Reprimand
   - Disciplinary probation with or without specific conditions
   - Referral to individual and/or group counseling at the student’s expense
   - Parental Notification
   - Suspension or Expulsion
   - Removal from residences operated by HCCC Housing Corporation

The following procedures apply to all disciplinary hearings:
(a) The student shall be informed of the infraction(s) he/she is being charged with, with sufficient particularity and in sufficient
time, to ensure opportunity to prepare for the hearing.
(b) The student appearing before an Administrative Judicial Hearing Officer shall have the right to be assisted in his/her defense
by an advisor of his/her choice. The advisor’s role is to provide advice and not to offer testimony, information and/or question
any participants in the hearing. The student appearing before the Judicial Review Board may have an advisor and/or attorney
present. The advisor and/or attorney’s role is to provide advice and not to offer testimony, information, and/or question any
participants in the hearing. At either hearing the student charged has the right to question any witnesses.
(c) The burden of proof shall rest upon the official(s) bringing the charge.
(d) The student shall be given the opportunity to testify and to present evidence and witnesses. The student shall notify the
Dean of Students of which persons he/she will have present at the hearing no later than 24 hours before the hearing.
(e) All matters upon which the decision may be based must be introduced into evidence at the proceedings. The decision shall
be based solely upon such matters.

APPEAL PROCEDURE
Administrative Judicial Hearing or Judicial Review Board Hearing—The student may appeal the decision of an Administrative
Judicial Hearing or from the Judicial Review Board to the President within five class days or eight calendar days, whichever is
shorter. The appeal request should be in writing and state the reasons for requesting an appeal. In most cases, only decisions
that involve suspension or expulsion would warrant an appeal. The President shall consider the written appeal and may base
his/her decision on that writing and the documentary record, or may in a suitable case, allow oral argument of the appeal by the
student. The official(s) initiating the charge should be present at the hearing. The President shall, within five class days or eight
calendar days, whichever is shorter, make his/her decision on the written appeal or notify the student that oral argument will be
heard. Said oral argument shall be heard and decision made within an additional five class days or eight calendar days,
whichever is shorter.
