

New Student Orientation Fall '24

New online students must CHOOSE ONE virtual session to participate in.

Session A: Wednesday, August 21st at 4 pm

Session B: Wednesday, August 21st at 7 pm

Links for each session will be sent to your Herkimer email.

Here's what we will cover in the Orientation session:

Welcome!

We are excited you decided to continue your academic journey with us!

Establishing a Foundation for Academic Success

We want YOU to be successful and we have many tips, tricks and tools to aid and support your academic journey. Hear our recommendations on how to prepare for the first day of class, learn why a syllabus is so important, and meet the people ready to help YOU be successful at Herkimer College.

Herk Technology (a brief overview)

We will introduce you to MyHerkimer, Office 365, Herkimer email and Microsoft Teams. It's important that you learn how to navigate each of these platforms so that you can fully immerse yourself in the learning process and our campus community.

Introduction to GO

Generals Online (GO) is our digital learning platform for all online courses, in addition to supporting our campus courses.

Now What?

Let's get ready for the semester! What does grit and perseverance mean to you? We'll also discuss expectations for the new year, the Orientation course in GO, next steps, and conclude with a Q & A!
