About Herkimer College Residence Life
Managed and operated by the Herkimer County Community College Housing Corporation, the residential apartments are supervised by the Office of Residence Life & Housing with three full-time, live-in professional staff members and 17 student Resident Assistants. The staff is committed to safety and security, and the academic and personal success of every student.

Apply for Housing
To reserve a space in on-campus housing, you must complete the Herkimer County Community College Housing Application and submit it along with the required deposit. The application and current apartment rates are available online at www.herkimer.edu/housing, or call the Office of Residence Life and Housing at 315-867-2222.

• Tutoring and Homework Help

Living On Campus at Herkimer College
There are many advantages to living in one of Herkimer’s three apartment complexes.

There are many advantages to living in one of Herkimer’s three apartment complexes.

Save time and money by not driving to campus.
Have fun, get involved and meet new friends.
Housing is close to all academic and student services.
Herkimer College houses over 600 students during the academic year making it one of the largest residential community colleges in New York State.

On-Campus Housing Options
On-Campus housing is available in three apartment complexes located adjacent to the main academic facilities: Campus Meadows, College Hill, and Reservoir Run. Semester rent rates include the cost of utilities. Amenities include high-speed internet access and cable TV. All residential facilities are fully furnished and smoke-free environments.

Campus Meadows
Campus Meadows is our largest apartment complex and offers several different styles of apartments including: townhouses (two double bedrooms upstairs), one-bedroom flats (one double bedroom), two-bedroom flats (two double bedrooms) and traditional residence hall-style flats (one bedroom with four students). Each apartment also includes a full kitchen, living room and bathroom.

College Hill
College Hill offers different styles of apartments including two single bedrooms, two bedrooms shared (one single bedroom and one double bedroom) and one double bedroom. Each apartment also includes a full kitchen, living room and bathroom.

Reservoir Run
The newest of the on-campus apartments is Reservoir Run, which features four-person suite style apartments. Each apartment includes a fully equipped kitchen, living room and bathroom.

Living on Campus
Living on-campus helps students establish a sense of belonging, acquire critical thinking skills, make ethical decisions and assume self-responsibility. It is the responsibility of the residence life and housing staff to support students in those endeavors and develop programs that complement and enhance their classroom experiences.

Resident Assistants reside in each of the buildings and are responsible for supervision of their particular areas. They are peers who are trained as community builders, problem-solvers, activity planners and referral sources, and they can also lend a supportive ear when needed. Area Coordinators are full-time, live-in professional staff who supervise the Resident Assistants and have overall management responsibility for specific residential area. The entire residence life and housing function is managed by the Director of Residence Life and Housing—a professional, who supervises the Area Coordinators and Resident Assistants. The Director also takes an active role in partnering with parents to ensure the overall development and academic success of each student.

Food Service
Kitchens are standard in all apartments; all residential students will be required to purchase a Campus Dining Plan through the College Faculty Student Association (FSA). Choose from numerous specialty food stations and menus updated daily for breakfast, lunch, and dinner.

The Dining Center accepts cash and credit cards in addition to student meal plans and General Bucks. It is located in the Robert McLaughlin College Center and is open when classes are in session during the fall and spring semesters. Students are encouraged to take advantage of the General’s Cash Card Account, a prepaid spending account offering a safe and convenient way to make purchases in the dining hall, the bookstore as well as area restaurants and stores. Accounts can be funded with cash, check, or credit/debit cards via mail, web, phone, or in person. You may also authorize the College to credit your account with your financial aid refund. Any value left on your Herkimer Cash Card Account carries over from semester to semester, and from year to year, for as long as you are a student at Herkimer College.

Campus Safety
The academic and residential facilities are patrolled by uniformed campus safety officers 24 hours a day throughout the entire year. Campus safety officers are trained in specific areas including CPR, first aid, emergency response procedures, cultural diversity and sexual assault response. Herkimer College’s Campus Safety Officers have Peace Officer status and the Campus Safety Department has a cooperative working relationship with area law enforcement agencies if needed to help maintain a safe campus atmosphere.

Safety programs on the campus include participation in emergency notification system NYALERT, a student nighttime auxiliary program, which provides a student escort service during the hours of 9:00 p.m. to 9:00 p.m. Outdoor emergency phones throughout the campus immediately connect callers to Herkimer County’s 911 services for assistance. Campus Safety is dispatched 24 hours a day by the County 911 Center.
