Academic Senate Report:  Mr. Steele gave an update on the Academic Senate. They have been working with Dr. McColgin processing the program prioritization process and are in its final stages. Over the summer, the Academic Senate completed the Student Behavior Alert Form. There has been strengthening between the faculty and student governments by having a representative from both the SGA and Academic Senate sitting in as a non-voting member on each other’s meetings.

Items for the upcoming year include Second Chance Amnesty Policy, Applied Learning Process, and recommendations on tweaking the academic calendar.

President’s Update:  Dr. McColgin informed the board about “Ban the Box,” which began as a resolution brought forth by the SUNY Student Assembly to the SUNY Board of Trustees. The SUNY Board of Trustees approved the resolution for Fall 2018 implementation.

Dr. McColgin also spoke about the Student Assembly shared governance resolution that contains students input and representation on all major decision-making bodies on their campus. They also feel that student government should also be primary manager of student fees. This resolution will go to Chancellor.

A Presidents’ meeting was recently held and revolved around expanded credentials, advocacy and marketing, adopting support for today’s learners, and enrollment management.

The SUNY Board of Trustees recently passed a requirement of a Diversity Officer on all SUNY campuses. SUNY has agreed that Herkimer College and Mohawk Valley Community College may share the position of a Vice President of Diversity and Inclusion. A joint meeting of the two colleges was recently held, and a presentation was given on a writing plan for a Diversity and Inclusion Master Plan.

An update on Keller McIntyre Consulting was given. The College has continued moving forward on the EDA proposal.
