Board Policy

TITLE: Withdrawal for Students Called to Emergency Active Duty

POLICY #: SA 90-03A

DATE OF BOARD OF TRUSTEES APPROVAL: 11/15/90

RESOLUTION #: 90-03, 90-03A, 09-22, 11-08

POLICY STATEMENT:

In the event of a national emergency, students may have responsibilities which supersede their academic obligations to the College. Having produced written proof of such assignment or duty to the Dean of Academic Affairs, and with the expressed approval of the President, each student will be provided the following options:

Option 1:

The student selecting Option 1 will receive an ADMINISTRATIVE WITHDRAWAL -- EMERGENCY ACTIVE DUTY notation on his/her transcript. Each course will be given a "W" (Withdrawal) designation. The student will receive total reimbursement for tuition and fees anytime he/she withdraws because of emergency active duty in the military.

Any student selecting Option 1 will be liable for all books and meal tickets credited against his/her financial aid awards. Emergency loans granted during this period are required to be repaid to the fund.

Option 2:

Students selecting Option 2 will receive an INCOMPLETE in each course, with the opportunity to make up the work 60 days after returning from active service. No tuition or fees will be reimbursed. If a student called to military duty is, through some related injury, unable to return to school to complete the academic work, total tuition and fees will be returned as cited in Option 1. If the student is killed in action, tuition and fees will be returned to the student's family.

BACKGROUND:

During a time of national emergency, it may be necessary for students to withdraw in order to meet military reserve or other similar obligations. A policy has been developed to address such situations; providing students a choice regarding their status with the College should they have to leave the campus for an extended period.

This policy was amended on 11/15/90 to include cases of severe injury or death.

It was amended a second time in 2010 to change the title of the College administrator referenced in the first paragraph of the Policy Statement as providing “expressed approval” from “Dean of the College” to “President.”

It was amended a third time in 2012 to replace “Dean of Students” in the first paragraph of the policy statement with “Dean of Academic Affairs,” and to remove references to pages of the College Catalog under “Option 1” and “Option 2” in the policy statement.

Revised: 3/3/10, 1/19/12
