WE ARE SMART

Starting your college career at Herkimer College is a smart decision.

Herkimer's associate degree programs parallel freshman and sophomore classes at four-year colleges and universities. Our smaller class sizes and personal attention from faculty help build a foundation for success.

And yet, Herkimer's tuition is less than SUNY four-year institutions and a fraction of the cost of most private colleges and universities. For most Herkimer students, scholarships and financial aid opportunities make it even more affordable.

More than two-thirds of our graduates transfer to four-year colleges and universities to continue their educations.

Graduates with Associate of Arts or Associate of Science degrees are guaranteed admission to a four-year SUNY college or university.
