

Business Perspective

HCCC Raises Consumer Spending

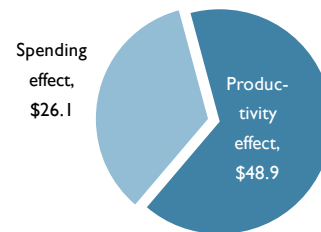

- HCCC employed 284 full-time and 76 part-time faculty and staff in the 2008-09 reporting year, with an annual payroll of \$18.5 million.
- In addition to payroll, HCCC spent \$18.8 million in FY 2008-09 for supplies and services, of which an estimated 43% was spent in Herkimer County.
- HCCC estimates that approximately 65% of its students come from outside Herkimer County. Non-local students who settle in the region spend money at local businesses for food, transportation, and other personal expenses.

HCCC Generates New Income

- The net added income generated by HCCC operations (\$18.5 million) and the spending of non-local students (\$7.6 million) contributes a total of \$26.1 million in income to the Herkimer County economy each year.
- The increased productivity of workers due to the accumulation of past and present HCCC skills in the Herkimer County workforce creates approximately \$48.9 million in added income each year.
