Set up your Profile

Begin by setting up your student profile. Your profile lets instructors and advisors know who you are and how to contact you. It also gives you control over how you wish to receive emails.

1. Click your name in the top right corner of your Home page to open your profile.

From here, you can customize your profile by uploading a photo, setting appointment reminders, and adding a secondary email address for receiving Starfish emails (e.g. your mobile phone).

To have Starfish emails sent to your mobile phone (in addition to sending to your primary institutional email address):
• Enter the **email address** of your mobile phone in the **Alternate Email** field. This address will be a combination of your phone number plus carrier information. Click the more information icon (=? for a list of common carriers and email address formats :

• Click the **Both** radio button associated with “**Send my correspondence to**”.

2. Once you have made your desired changes to your profile, click the **Submit** button to save your updates.

**Connect to people and services that can help you**

The **My Success Network** and **Courses** channels display the people and services that are available to help you succeed. Here you can find key contact information as well as links to student service web sites and online appointment scheduling.

**Messages**

Click the **Messages** icon on your Home page to display messages sent to you in Starfish. Click on any message in the list to display the full contents of that message.
My Success Network

Click the My Success Network icon on your Home page to display your personalized network. This channel lists the people and resources that are available to assist you. (You can browse a broader list of available services in the Service Catalog. This is on the top portion of your Success Network). At the bottom of your Success Network you will find a list of your current teaching faculty, the Associate Dean for your division, as well as your Advisor. In addition, for each person or service listed in your Success Network you will find contact information, supporting websites, and, if online scheduling is enabled, a link to make an appointment.
**Courses**

Click the **Courses** icon on your Home page to display information about courses you are enrolled in as well as contacts and available support related to each. Like the **My Success Network** channel, it is personalized to show the people and services specific to the courses you are taking.

Frequently Asked Questions

What if I don’t see anyone listed in My Success Network?
Your specific advisors or counselors might not be assigned yet. Check back later or contact your institution’s help desk for additional assistance.

What if I click the Starfish link and get a “You do not have access” message?
Contact your institution’s help desk for assistance with accessing the Starfish system.

What should I do if I have a flag raised?
When a flag is raised you should make an appointment to see the person that raised the flag – they are the one that will be able to provide you more information on how to resolve the issue.

What happens if I have more than one flag raised?
It is always in your best interest to make an appointment with the flag raiser. When a student has three or more flags a member of the academic outreach team will contact the student to offer further support if needed.
