

MORRISVILLE STATE COLLEGE

Morrisville State College Transfer Pledge

Articulation Agreement

between

Morrisville State College

School of Science, Technology & Health Studies

B. Tech Degree in Information Technology:

Application Software Development

and

Herkimer College

AS Degree in Computer Science

AAS Degree in Mobile Applications Development

This articulation agreement has been specially designed to fully accommodate graduates in A.A.S. degree programs.

Purpose

The purpose of this agreement is to facilitate credit transfer and provide a smooth transition for students in the A.A.S. Mobile Applications Development degree program and the A.S. Computer Science degree program, at Herkimer College into the B. Tech. Information Technology: Application Software Development degree program at Morrisville State College.

Agreement

This agreement applies to transfer students who have completed the A.A.S. Mobile Application Development degree program or the A.S. Computer Science degree program at Herkimer College, received an Associate's degree, and meet admissions standards at Morrisville State College.

This agreement recognizes that the Associate degree programs at Herkimer College are consistent with the first two years of study at Morrisville State College and the combination of required coursework is in keeping with Morrisville State College transfer policies to grant full junior status.

Specific courses listed on the subsequent page are required to ensure proper alignment.

This Transfer Pledge is our partnership with you in recognition of the high quality of your graduates. We pledge to provide an exceptional educational value by providing your students with the classes needed to complete a baccalaureate degree in four additional semesters. In addition, your graduates are eligible for a guaranteed preferred housing scholarship for four consecutive semesters.

Admissions Requirements

Students transferring into Morrisville State College must have a minimum cumulative grade point average of 2.5 at the time of admission. Students must submit the SUNY Application as well as all college transcripts for review by the Morrisville State College Admissions Office. Students who have not yet graduated from Herkimer County Community College will also be required to submit high school transcripts.

Transfer Promise Program Requirements

Students must be enrolled in four consecutive semesters, must maintain satisfactory academic standing, remain in good judicial standing, and successfully complete all classes in sequential order as advised.

College Graduation Requirements

Please refer to the attached program guide sheet for requirements. Transferring students will be required to complete four consecutive semesters with a minimum of 60 credit hours of successful coursework at Morrisville State College, and meet College residency requirements. A minimum of 120 credit hours must be earned and a 2.0 minimum grade point average is required for graduation.

Articulation Implementation and Agreement Review

Responsibility for oversight of this agreement rests with the Transfer Coordinator at Morrisville State College. One administrative or faculty member from each institution will be appointed to act as agents responsible for implementing this agreement; identifying and incorporating any changes into subsequent agreements; communicating changes to prospective faculty members, advisors, counselors, and others to whom the information is pertinent; and for conducting a periodic review of this agreement.

Additional Notes:

This agreement becomes effective for academic year Spring 2016 and remains in effect until Spring 2018 unless terminated or amended by either party with prior written notice.
